## Area Cities Seek State Aid to End Open Dumps

Plan Outlined Last Night For Joint Operation of Public Incinerator

An Illinois legislative appropriation to finance a vast dumping disposal area or public incineration system for the Quad-City area is to be sought in a move to eliminate smog conditions between Madison and East St. Louis, it was reported by Mayor Davis last night following a meeting of the Quad-City western Illinois conference of Mayors.

No action was taken by the mayors' council, but Davis said arrangements are being made for future meeting of Quad-City area municipal and township officials, including Madison, Venice, Ponton Beach and Mitchell. The highway through the dump area (I-55) Tuesday morning of two pile-ups involving 14 vehicles and injuring four persons. The accidents were blamed on smoke from the dumps and fog.

Davis said he has held preliminary discussions with Mayors John E. Lee of Venice and Stephen A. Marcus of Madison, and they agree immediate steps need to be taken to comply with a state-ordered clean dump law which became effective in April.

Topic at Convention  
He added that the new state law banning open dumps and placing stringent controls on the operation of municipal or privately-owned dumps was one of the major topics at the Illinois Municipal League convention which ended Tuesday in Chicago.

No Solution Was Offered  
"The time has come when we must consider the problem of refuse disposal as important as that of sewage treatment," Davis said.

"We must get rid of the objectionable conditions along the state highway," he said. "I don't say how we are to do it or provide any funds for carrying out the conference."

The mayor said his plan consists of calling together all of the officials of the area for a discussion of methods most likely to solve the problem, and he indicated the meeting may be called for late this week.

No City Funds Available  
"We have no funds to meet this problem, and the legislature has not provided any," he said.

## 43 WITHOUT A QUAD-CITY TRAFFIC DEATH

Fog and dense smoke from burning trash at dumps were blamed for two chain-reaction accidents involving 14 autos, two trucks and a bus at about 8 a.m. Tuesday midway between Madison and East St. Louis on Highway 203.

Only four persons suffered minor injuries, but damage to the cars was heavy. All of the vehicles were northbound. Two trucks were called from as far away as Mitchell.

Taken by ambulance to St. Elizabeth Hospital here was Thelma Hambrick, 74-year-old, a passenger on the Mitchell-bound Bi-State bus. She was visiting her mother, Mrs. Charles O. Allen, 1828 Spruce street.

She complained of pains in the right hand and right shoulder, was treated for abrasions to the right knee and was released. The bus, driven by Thomas J. Strode, 36, of East St. Louis, remained operable. Other passengers on the bus were not injured.

Boy Injured  
In addition to the bus, a road side truck and right shoulder, was involved in the first accident, in which Bobby Cass, seven, a passenger in a car driven by his father, was injured.

State Troopers charged LeMauligh with speeding. Other cars damaged  
Other autos in the first accident, with damage, were driven by T. C. Fields, 45, of East St. Louis, right rear fender and bumper; and by Walter W. Plaz, 44, of 1820 Madison avenue, left rear fender and bumper.

Lucille R. Hartwig, 38, of Caseyville, front and rear fender, 1820 Madison avenue, left rear fender and bumper.

## Change in Depot Pupil Bus Plan Approved

State Reimbursement to Offset Estimated \$1000 Cost of 2 New Routes

Transportation of Granite City Army Depot children to the City schools was undertaken by the school district, effective today. The depot has used its own vehicles to transport the students in the past.

The change was made necessary by an economy directive from Washington requiring that military bases charge schools for the full cost of providing the service. This was figured at \$4669 a year—based on federal regulations, rather than specific local expenditures.

In excess of what the district has been receiving from the state and forwarding to the depot.

Under previous procedures, the state reimbursement exactly offset the payment which the city made to the depot for the full cost of providing the service. This was figured at \$4669 a year—based on federal regulations, rather than specific local expenditures.

## GCHS Scene of Fall Meeting Of Southwest School Boards

Granite City high school will be toured during an open house from 5 to 6 p.m. next Thursday, Oct. 8, as the school district plays host to the fall conference of the Southwest Division, Illinois Association of School Boards. George Wirth of New Athens, division chairman, will preside at a dinner meeting beginning at 6 p.m. in the GCHS cafeteria.

B. B. Burgess, IASB associate director, will submit a report and Rev. Walter J. Mehl, Edwardsville First Presbyterian Church, will speak on "Educating for Responsibility." Dr. Mehl, the father of four, is a world war II Navy veteran.

The banquet speaker was assistant dean at the University of Wisconsin and later dean of Harper College in New York before entering the Princeton Theological Seminary in 1906. The parate at Edwardsville began in 1961 after service in the church at Shelbyville.

### Discuss Longer School Year

From 8:15 to 9:45 p.m., panel discussions will be held on five subjects, including "The Longer School Year," for which Granite City School Board Secretary Ronald Dillard will preside. Panelists will be Bobby Joe Davis, principal of Central junior high school, Granite City; Ralph W. Kohler, Alton high school biology instructor; and Harry E. McPhail, regional supervisor for the state superintendent.

"The concept of a longer school year is receiving increased emphasis," school board members have been told in the announcement of the meetings. "Educational demands and

### Coolidge School Shrubs Planned

Landscaping at the front of Coolidge junior high school was authorized Monday night by the Granite City school board, which approved a proposal submitted by Supt. Russell D. Johnson, School Engineer Marvin Zwan and Principal Ralph Frohardt.

The estimated \$300 cost is to be met from Coolidge school activity funds accumulated from a variety of sources. Bushes, perennials and trees will be planted in front of the three main sections of the school facing Namooki road. Red leather plants will be placed near a school sign along the northernmost classrooms, and two pine oak trees will be planted about 50 feet east of the building. Some existing shrubs will be relocated.

All of the proposed planting will be on land between the school and its circular front driveway. Bids will be sought and if they are within the estimate, the work will proceed.

The school Monday night also authorized use of Granite City high school activity funds to purchase an intercommunication system for the GCHS office at a cost of \$277. It is expected to relay over the telephone system.

Possibility of installing a similar system in the main school district office is to be studied.

## Bedroom Screens Removed In Burglary, 2 Attempts

One successful house burglary and two attempts, all involving bedroom window screens, were reported Monday night to Granite City police. The first burglary was reported at 2:40 p.m. on Grand avenue, reported that between 8 and 10 p.m. a thief took his brief case, wallet and money clip containing \$70, in addition to \$20 in cash, from a bedroom window.

George Lynck, 2520 Edison avenue, reported at 8:15 p.m. Monday an attempt was made to remove the screen from a bedroom window on the southeast corner of his home. At 11:05 p.m., Edw. Reedy, 2928 Iowa street, reported that while he was watching television in the living room, he heard a noise from a front bedroom. Upon investigating, he saw that a man had taken the screen out of the window from the front porch and saw the thief run away. Several dollars in bills were taken, but nothing else was missing, he told police.

In another burglary, Thomas Viessman, 2128 Washington avenue, reported Monday that after 13 his home was entered by breaking a pane of glass in the rear door located at the alley. Several dollars in bills were taken, but nothing else was missing, he told police.

# Club Elections, Engagement and Parties Featured this Week on Quad-Cities Area Social Scene

## Novacich-Justice Engagement

The engagement of Miss Ruth Ann Justice to Peter Paul Novacich Jr. is being announced this week by the bride-to-be's parents, Mr. and Mrs. Mike Meisaki, 2926 Harding avenue.

Miss Justice, a January 1963 graduate of Granite City high school, is employed as office secretary with Teamsters and Chauffeurs Local 625, Herd and Company, Inc., 401 Smith Corp. She graduated from Granite City high school in 1960. No definite wedding date has been set by the newly-betrothed couple.

## Tea Will Honor Minerva Club

The Minerva Woman's club of Granite City will host a tea at three o'clock Sunday afternoon at the Sunset Hills Country Club to formally announce its affiliation with the senior division of the Illinois Federation of Women's clubs.

Club women from five surrounding counties are expected in the 22nd district. IFWC are expected to attend the social affair. The Minerva Woman's club, formerly known as the Junior Minerva club, joins five other Granite City federated organizations, the Bay View Reading Club, Ladies' Coffee, Leach Literary club, Yimokki Women's club and the Junior Macaness society.

Mrs. Leland H. Buckley of Edwardsville, president of the 22nd district and Mrs. Wilfred Copley of Granite City, Madison county federated club president, are expected to be among the guests.

## GOP Women Plan 'Holiday Party'

Goldwater soft drink will be served to teenagers at a "holiday party" to be held at the Republican Party headquarters, 214 State street from 10 to 11 a.m. Saturday, it was announced at a meeting of the Granite City Republican Women's club this week.

Mrs. Helen McAnally, president, displayed a silver honor certificate awarded for the club which she received at the recent National Federation of Republican Women's club convention in Louisville. An official presentation to the club will be made at an executive meeting next Thursday at the home of Mrs. Muriel Byrne, 1900 Third street, Madison.

Mrs. Vernice Wortman is sponsoring the Goldwater soft drink party and will be assisted by the Ladies Belles. She also announced a rummage sale to be held Oct. 10 at the Veterans American Legion hall. Items for the sale may be left at the GOP headquarters.

## MISSIONARY THEME AT CIRCLE MEETING

The Veterans American Circle met Tuesday evening at Calvary Baptist Church with Mrs. Helen Hubble welcomed as a new member.

The program and lesson, based on the theme, "Worship in the Missionary Task," was presented by Mrs. Vernice Wortman. Mrs. Susan Robertson and Mrs. Wanda Bolcher.

A brief business session was conducted by the chairman, Mrs. Phyllis Kinney, who announced the next meeting for Nov. 3, at the church beginning at 7 p.m.

Local guests were Mrs. Ruth Haeke, mother of the bride-to-be; Mrs. Brenda Fourt; Mrs. Ruth Stiemmer and daughter Karen; Mrs. Ann Kessel; Mrs. Krista Schneidre; Mrs. Alma Reynolds; Miss Julie Lotz; Mrs. Delma E. Lotz; Mrs. Louis and Kay; Mrs. Opal Wilson; Mrs. Sharon Reynolds; Mrs. Nancy Haysman; Mrs. Joyce Haysman; Mrs. Kimbrell; Mrs. Joyce Kotoff; Mrs. Martha Tyler and daughter Tammie; Mrs. Mae McClelland; Mrs. Wilma Barker; Mrs. Mary West; Mrs. Theresa Pokras and Mrs. Barbara Doty and son, John; Mrs. Edna Haysman and Mrs. Lloyd Haeke. 2239-Bonjour street will be married at the Third Baptist Church.

**BETROTHED:** Miss Ruth Ann Justice, whose engagement to Peter Paul Novacich Jr., a son of Mr. and Mrs. P. Novacich sr., 1501 Joy avenue, is announced. The bride-to-be is the daughter of Mr. and Mrs. Mike Meisaki, 2926 Harding avenue. Wedding plans are indefinite.

## State Eastern Star Honors For Chapter 650 Oct. 6-7

Granite Chapter 650, Order of Eastern Star, will be honored by the Grand Chapter of Illinois at its 90th annual session Tuesday and Wednesday Oct. 6 and 7, at the Medinah Temple, Chicago.

Chapter 650 will receive an award for initiating the most new members, 33, of any chapter in Illinois during the past year.

Many of the delegates are planning to leave Sunday and return Thursday. Granite Chapter 650 will be represented by Mrs. Dorothy Fitzpatrick, worthy matron; Grover Brannan, worthy patron; Mrs. Ida Caris, associate matron; LaVerne Larson, associate patron; Mrs. Marjorie Brannan and Mrs. Rachel Larson.

Those expected to attend from New Hope Chapter 432 of Granite City include Mrs. Estella McLean, worthy matron, and Mrs. Dorothy Edwards, associate matron.

**WEDDING PICTURE NAMES:** Mrs. Abbie L. Brown, the youngest daughter of Mr. and Mrs. Mrs. Evelyn Pearl Madison, who was married to Mr. and Mrs. F. H. Brown, given as Mrs. F. H. Brown.

Authentic attire of "border" society was worn by the performers in the costumes and story line of the play, "The Girl Who Came to Stay," presented by Mrs. Raymond Tubb.

Many of the dramatic outfits were loaned to the PTA by Mrs. W. W. Tubb, who was in charge of the costumes.

Members of District 29, 75 guests, were introduced and brought in from Wood River delegates who agreed to host the 1965 fall conference.

Disputes in charge of the conference were Mrs. Tadlock, general arrangements and decorations; Mrs. Paul Caban, election; Mrs. N. Danner, exhibitors; Mrs. Robert Clark, hospital; Mrs. George, dance; Mrs. J. H. Evernden, public relations; and Mrs. Roy Baumgardner, a relation.

## Boosters Meet Monday At High School Gym

Boosters of the Fighting Warriors will hold their regular meeting Monday at the Granite City high school gymnasium, starting at about 9 p.m. following the sophomore football game at 7 p.m. between Granite City and Collinsville.

The change in meeting place was announced today by George E. Kline, Boosters president, who also invited anyone interested in the Warriors' athletic program to attend the meeting and view films of the Granite City-Madison game and tomorrow night's contest with Collinsville.

## Mitchell AC Wins

Mitchell AC defeated Rozycie Realty 4-0 in a Bantam Division soccer game yesterday in the YMCA Soccer League.

Goals were scored by Dave Martin, Joe Stennier, Curt Holland and John Ireland.

## Local Cross Country Squads Beaten In Dual Meets by Collinsville, Cahokia

Granite City and Madison cross country teams both went down to defeat in dual high school meets Tuesday.

The Warriors, challenging the visiting Collinsville Kahoks, lost 22-28 (low score wins). Pacing the field was Paul Smith of the Kahoks, winning in 10 minutes, 13 seconds.

Granite City's Jim Stephens was second in 10:15. His teammates who figured in the scoring were Steve Stumps (10:19), fourth; Mike Forcive (10:30), sixth; Keith Wilson (10:49), 11th; and Bob Yates (10:59), 15th.

Two sophomores running with the varsity showed promise as Gus Schakman and Kelli Campbell finished 17th and 18th with times of 11:01. The Warriors sophomores lost by a 16-42 score.

Madison's host Trojans ran three meets, losing the varsity affair 15-37 as Dan Fee's victory in 10:45 paced the Comanches Carl Marx's 11:24, second for eighth place, led Madison.

Others who scored for coach Earl McClanahan were Bob Varady (11:29), 10th; Elwood Besserman (11:32), 12th; Tom Owens (11:40), 13th; and Mike DeGuz (11:55), 14th.

Madison's James Anderson won

## GC Sophs Lose To Maroons 19-7

Three recovered fumbles led to Belleville touchdowns Monday night as the Maroons' sophomores defeated visiting Granite City 19-7. Both teams have 1-1 records in football.

Belleville first scored late in the first half after the young Warriors gumbled on a fourth-and-two situation at the Maroons' 40, made it and then lost the ball on a fumble.

Scoring for Belleville were Mike King, Terry Greve and Rick Sterling, who caught a pass from quarterback Gary Ziptel and ran 63 yards to the goal.

Granite City's touchdown came early in the fourth period when Dan Partney eluded a long march by plunging over from the two. He also kicked the extra point.

"We made 205 yards, 117 rushing and 88 in the air, but we didn't gain at the right times," said Coach "Eabe" Champion who, with Leon Chappell, handled the sophs.

The team is home to Collinsville Monday night.

The batter is pitcher Bill Behrens, the Venice catcher is Greg Puente and the first baseman is Neil Ebersold. Behrens grounded out to end the inning.

## Devils Seeking Tie After 8-Inning Loss

A possibility of a three-way tie with three runs in the seventh inning, Dillon doubled and scored, Extington's two-bagger, Essington went to third on an error and scored on Cooper's double. Cooper took third on a throw and then came in on a single by Gonterman.

Yesterday, the Devils handed the Fairview Warriors of Jennings Mo., a 12-1 non-conference decision by committing six errors. The only two Venice hits were a triple and single by Greg Puente.

Coach Ed Williams made the only run in the second when he hit by a pitch and scored later on a ground ball.

Bill Ohlendorf's locals, Essington 4-8 with three hits, getting four hits, three runs and three RBIs. Bill Getz and Howard E. Williams, Jr. hit a triple and a single, respectively, to tie the score at 1-1.

## Two Pled Guilty To E. A. Shoplifting

Three Granite City residents faced charges Tuesday in court after being arrested in East St. Louis and two pleaded guilty before Judge Mark E. Williams in East St. Louis.

Shirley Jean Travis, 31, and Mrs. Sue Travis, 21, of 1926 1/2 Madison, who were arrested together and Raymond L. Spivey, 32, of 1200 Alton, who was arrested separately, were charged with shoplifting.

Travis was seen taking a sweater and a pair of pajamas and a total value of \$10. Spivey was seen taking a sweater and a pair of pajamas and a total value of \$10.

## City Bills, Half-Month Payroll Totals \$84,427

Bills amounting to \$47,371 and a half-month payroll amounting to \$37,056 for a total of \$84,427 were approved Tuesday night by Granite City council members.

The major item of expense was \$14,440 paid to Lybarger Construction Co. for motor fuel tax work on West 24th street. Alderman Nomm complained that slag was being used instead of crushed rock for the project, but was informed the state had approved the materials.

Thomas Skerle was paid \$2013 for sidewalk replacement in the 2600 block of Edwards street, and

### Gas Service in Eagle Park to be Discussed

Eagle Park Area residents are invited to attend a meeting of the Eagle Park Improvement Association, on proposed gas service at 729 S. D. in the Quinn Mission Methodist Church, Watson and Mary streets.

Cleveland Johnson, association president, said the proposal will be explained and that to qualify for natural gas service, 76 additional signers are still needed. Residents who want natural gas in the area must make a \$15 deposit at the Granite City office of Illinois Power Co. by Oct. 16.

Deposits will be returned after a year's time if gas bills are paid promptly. Johnson reminded area residents. He also announced today that Mrs. Lettie Mae Ward, 115 Carver street, was the recipient of a "hose chest" donated by the Merry Makers club.

### GC Driving Examiner Fired -- For 2nd Time

James Walker, 2450 Iowa street, who was dismissed Aug. 15 and then called back nine days later to the state driver's license examination station, 2323 Washington avenue, was fired again after receiving a second dismissal. Both dismissals were attributed to the replacement of a deceased Republican secretary of state with a Democratic appointee. Walker assumed there had been a relaxation of the political axiom that "the victor takes the spoils" but it turned out that the veteran examiner was retained merely because the staff was too short-handed to assist school districts in certifying their driver training classes for the start of the fall semester.

While eligible for retirement, Walker is displeased with the development, noting that he was not informed of the new discharge until the new day. He will use the extra leisure time to urge voters to bring about another political change over by means of the November election.

### Elks Lodge Initiates Five New Members

Five Granite Cityans were in a class of 64 initiates this week during the Illinois Elks fall conference held at Belleville to honor Lee Donaldson, a past grand exalted ruler, and Dr. Nick Feder, a past state president.

The initiates were Edward Applegate, William Thoskie, G. H. McGovern, Russell Briggs and Herman Schroeder. Local Lodge Exalted Ruler James Kenney and Secretary Edward Jenkins were on the ritual team.

Others attending from here were Mr. and Mrs. C. J. Parker, Mrs. G. R. McGovern, Mrs. James Kenney, Nelson Armistage, Harold Nelson, Anthony Nelson, Jean Beisenberger, Charles Lybarger, Mr. and Mrs. Paul J. Edmonds and Miss Grace Costello.

In 1382, Pope Gregory XIII decreed that the day following Oct. 4, 1582, should be called Oct. 15, thus dropping 10 days.

**Hourly Scale Questioned**  
Objection was raised for payment of \$20 to William Powers, 2700 West 20th street, by Sternberg and Moeren. Sternberg said the pay rate to Powers for hauling loads of debris from 2900 Cayuga street to the city dump amounted to only 55 cents an hour, far prevailing rates. Bassich replied that the work was done far over overall price, and Sternberg pointed out it was billed on an hourly basis.

Also on the bill list was payment of \$11,333 to Midwestern Black Top Roads, Inc. for 2163 tons of rock chips to be used on arterial streets. Haysa Garage was paid \$1925 for the new insect fogging machine.

**Expense Allowances**  
Expense allowances approved were \$50 each for Aldermen Berlich, Bergfield, Boyd, Dallas, Johnson, Nomm, Pence, Rutledge, Skushnik and Whitman.

Allowances of \$175 for attendance at the Illinois Municipal League in Chicago, which ended Tuesday night by Ballou, Ballou, Bergfield, Mrs. Bettine, Dallas, Comptroller John Doehner, Johnson, Moeren, Skushnik, Thompson and Street Supt. William Warfield.

Mayor Davis allowance for property expenses to \$350, and Earl Bloomquist, city building inspector received \$50 allowance for a tax and depreciation expenses and \$50 auto expense allowances were approved for Police Chief Raymond Willard, Street Supt. Warfield and for Delbert Lampher, city hall handyman.

### Reading Association Holds Meeting Here

The annual meeting and annual report of the Madison-St. Clair counties Council of International Reading Associations, was held Tuesday evening in the Granite City high school cafeteria, attended by about 200 persons. The council is composed of educators from the two-county area interested in improving reading instruction and advanced techniques.

Council president, Miss Virginia Scarr, a Granite City remedial reading teacher, welcomed the guests. Among them were school board president Daniel Linder and Mrs. Linder, Supt. of Schools Russell D. Johnson and Mrs. Johnson, Dr. John Lanning, East St. Louis schools superintendent and Mrs. Gunning, Harold Thomas, director of special education, and Mrs. Thomas, Mrs. Carol Meyer and Miss Fannie Taylor, elementary school supervisors with the East St. Louis public schools. Miss Ann McCann, reading clinic director, Belleville Junior College and Rev. David Maxton, pastor of the First Presbyterian Church.

Dr. David Bear, council president-elect and a professor of education at the Alton Campus of SWIU, gave the principal address. His topic, "Teaching Reading With ITA," dealt with the improved teaching methods and the quality of today's reading materials.

A report was presented by Mrs. Gladys Pappe, council secretary-treasurer, and a member of Logan school faculty. Plans were discussed for a workshop to be held in March.

## Stop Signs on Johnson Rd. Still Under Debate by City

Stop signs along Johnson road between Edgewood drive and Pontoon road were debated again Tuesday night by Granite City Council members. Opposition stalled immediate approval and the ordinances went on first reading.

The council also placed on first reading a two-hour parking limit on 14th street between Grand avenue and State street.

The stop signs were requested by Eighth Ward Alderman Johnson, and the opposition was led by Eighth Ward Alderman Thompson. He was joined by Rutledge, Whitman and Sternberg.

The ordinances call for a four-way stop at the Johnson Drive and Garfield intersection, a stop at Clark for northbound traffic and a stop at Lindell for southbound traffic.

**Pros and Cons**  
Johnson said they were requested by residents who were concerned over safety of school children also over delays in getting out of their driveways during peak traffic hours. Thompson said "three stops in three blocks would tend to congest traffic on the thoroughfare. Whitman added that the same tactics could be used on downtown streets used heavily by persons living in subdivisions. He added that he has had difficulty backing his auto out of his driveway in the 2200 block of State street.

Berlich said the stop signs would divert traffic off heavily-traveled Johnson road onto side streets, "and that could be good."

Council members in other business authorized the Southwest Illinois Metropolitan Area Planning Commission to represent the city in overall highway planning to qualify for federal funds; **Final Application**

Referred to the Police committee by the Police committee application from Vernon Schaefer of J.M. Music Co., Collinsville; and appointment of Aldermen Nomm, Mrs. Rutledge and Skushnik to a special citizens' committee for converting the old Catholic cemetery in East Granite as a quiet park.

Approved a \$1000 bond to permit Ernest Adams, a former city policeman and now a park district guard who will be carrying a permit to carry a gun.

Endorsed a proposal by an elderly citizen group of St. Louis seeking honor for a person in non-peak hours for persons 65 or older or those receiving pension.

Authorized the city attorney to execute the proposed plumbing ordinance to ease the congestion of plumbing permits inspections, and Accepted a notification of the merger of United Disposal Corp. with LaMar Sanitation Haulers, Inc. to be known, starting today, as the LaMar-United Disposal Co., St. Louis. The notice was sent to the city by Frank A. Vast of United Disposal which has the garbage-trash collection contract with the city.

### Parked Carry-All Hit

A yellow carry-all parked in the 2000 block of Iowa street received left front door damage by a car which left the scene. It was reported by a witness at 7:25 a.m. Wednesday. When it arrived, however, the carry-all was gone, leading police to believe that neither the driver of the carry-all nor the woman driver of a car realized that an accident had occurred. Only traces the local number of the car but found no one.

### State Extends Starting Date for Sewer Plant

An extension to Nov. 15 for the construction start on Granite City's sewage treatment plant, being granted by the state Sanitary Water Board. A contract award was not granted Tuesday night as the council's Special Pollution committee plans to take more time to study equipment bids.

Mayor Davis did not name a public engineer. "Plenty of time," he commented. He plans to name an engineer on the staff of David Johnson & Associates to the \$8500-a-year post.

A bid on a control system for the plant was rejected by the board. Rebuilding on this portion of the work will not impede construction progress. Contract bids approved include: general construction, R. & T. Con. Co., Alton, \$338,570; pipe lining and pumping, Frank Bellis, Chicago, \$446,000; pipe lining and pumping, R. & T. Con. Co., Metropolis, \$29,999; plumbing, Fowler Plumbing and Heating, Centralia, \$24,390; heating and ventilation, Ideal Heating Co., Chicago, \$22,900.

**Deep Purpose Reservoir**  
Fruin-Colton Contracting Co. of St. Louis submitted the low bid of \$246,874 for construction of a 50-acre lake to be used as a source of cooling water for air conditioning condensers, in lieu of a conventional cooling tower. The reservoir also will provide

### Niedringhaus Resuming Duties After Illness

Erwin Niedringhaus, Granite City State's vice-president for the tin plate sales, has resumed his duties after suffering a paralytic stroke in March which required hospitalization in St. Louis. It was announced this week.

Niedringhaus is able to come to his office in his home in Clayton for four hours each day and expects to extend his workday in the future.

### Suit Filed to Prevent SWIU Dam, Sewer Plant

A suit to restrain Southwest Illinois University from constructing a sewage treatment plant and a dam to create a large utilities reservoir was filed this week in Madison county circuit court by Dr. Leroy M. Fink and Clarence W. Bohm who have properties adjacent to the new SWIU campus.

The two complain that if the dam is constructed, it will stop a flow of water in a watercourse which runs between their property, and that if the sewage disposal plant is operated it will discharge as much as 1,000,000

### Granite City PRESS-RECORD

gallons of "sewage" through the watercourse each day. They added that stagnant pools of sewage would be created in drier seasons, the area would be contaminated with chemicals and detergents and all wildlife in the area would be destroyed.

Previous protests have been rejected by the SWIU board of trustees. Dr. Fink and Bohm claimed.

**Outlook**  
Cultivate the right viewpoint—it will do so much to lighten life's burdens.

### Cars Collide in Alley

While pulling off of a parking lot into an alley at 1942 State street, a car driven by Jerry M. Miles, 21424 State street, collided with another driven by Garnet P. Moran, 2459 Washington avenue, who was headed south in the alley. Police said a blind corner existed and neither driver could see the other. The front of the Miles car and the front of Moran's auto were damaged.

## SIU Board Seeks 138-Acre Tract Near Carbondale

Southern Illinois University board of trustees decided Tuesday to make application for acquisition of a tract of government-owned land in the Crab Orchard Wildlife Refuge. The area, which contains 138.2 acres and 23 miscellaneous buildings of wood, tile and metal construction, has been declared surplus property by the U.S. Department of Health, Education and Welfare and can be obtained for educational or public health purposes.

Formerly the administrative area of the Illinois Ordnance Plant during World War II, the land has been leased by SIU since 1951 for housing and the instructional program of the Vocational Technical Institute. The tract, along with several temporary buildings, originally structures moved to the site for use as classrooms, laboratories and shops, have a total area of nearly 217,000 square feet.

With an enrollment of more than 1100 VTI students each term, and increasing needs of space for training programs under the Manpower Development and Training Act, the current structures are utilized at capacity in day, evening and Saturday classes, according to E. J. Simon, dean of the SIU division of technical and vocational education. Demands for additional technology programs in the institute cannot be accommodated with existing facilities, Simon reported.

Acquisition of title to the area will clear the way for state construction of new building when funds are available. Dr. Delyte Morris, SIU president, reported to the board members.

## Falls Injure 6 Persons In Area Yesterday

Five accounted for six emergency cases handled Wednesday at St. Elizabeth's Hospital. Involved in the mishaps were Mrs. Charlotte Burns, 1513 E. 14th St., Madison, who suffered multiple superficial cuts to her right hand and fingers and abrasions to both knees when she fell on several soda bottles.

Also treated were Edward Martin, 541 Margaret street, Mitchell, who injured his wrist while using stairs; Ronald E. Cynke, 17, son of Mr. and Mrs. Melvin Moneymaker, 2204 Wilson avenue, who suffered two cuts to his left eyebrow; Anita Lee, 3, daughter of Mr. and Mrs. Odey, 320 E. 14th St., Madison, injured her right elbow and hand.

Lancel Simpson, 10 months old, son of Mr. and Mrs. Grady Simpson, 2645 East 23rd street, cut the inside of his mouth on a fall; and Victoria Pieper, 6, daughter of Mr. and Mrs. Henry Pieper, 1929 Cleveland Blvd., received two lacerations to the cut which she suffered at school.

Eric Quicker, 4, son of Mr. and Mrs. Quicker, 2401 E. 14th St., Madison, after being struck on the head with a shovel, and John O'Dell, 3, son of Vernon O'Dell, 2414 Meridian street, was treated for an insect bite on his forehead. All mishaps, victims were released following treatment.

## Three Divorces Granted In Circuit Court Here

Three divorce decrees were granted by Associate Circuit Judge Fred Schumacher Wednesday in the Granite City Circuit Court of Circuit Court. They were issued to:

Mary LaVanne Fuller from Robert Martin Fuller, both of Granite City. They were married March 8, 1954, in Granite City, and separated Oct. 9, 1963. She charged desertion and she obtained custody of two children.

Beatrice Mae Cochran from Floyd Willard Cochran, both of Granite City. They were married Oct. 22, 1927, in Granite City, and separated in February 1958. She charged desertion.

Gloria Marie Long of Madison from Billy Joe Long of Highland. They were married April 10, 1957, in Pulaski county, and separated last July 20. She charged cruelty and was given custody of three children. He was ordered to pay \$120 per month child support.

## Auditor Suggests Mayors Keep Public Informed

Governmental agencies have the responsibility of keeping the people informed in detail about all of its operations, and informed in a way that the average man can understand it, Michael J. Howlett, state Auditor of Public Accounts, told a meeting of the Western Illinois Conference of Mayors the night.

Howlett was the principal speaker at a meeting in the Illinois Club, East St. Louis, attended by 30 mayors and officials of the area. Only routine business was conducted, including a brief report by George Washburn, administrative assistant to Mayor Alvin G. Fields of East St. Louis, on legislative matters discussed at the Illinois Mayors' League meeting in Chicago early this week.

Herbert Balz, Belleville, representing the St. Clair County Historical society, spoke briefly before the conference asking aid and cooperation of mayors in the St. Clair County area in carrying out a remodeling and restoration project for a house at Belleville. The house, built in 1868, will be restored to provide an educational building and museum for the historical society.

Howlett told the officials that the very nonpopular nature of his taxes and the cost of government is going up every year. The fellow who has to pay the bill is being carefully spent.

Unless the citizenry is adequately informed, a mayor cannot find itself in real trouble. Howlett continued, pointing out that if a rate increase for a worthy purpose goes to referendum without thorough public relations and educational preparation, it is liable to be turned down.

Only passing reference was made to participation of the Mayors' Conference in area planning activities. That came when Mayor Thomas Kemmer of Swansea asked if the meeting agenda was supposed to include discussion of the matter. Mayor Fields explained briefly the action taken recently in establishment of the St. Clair County Regional Planning committee and said further information would be furnished to the mayors at a technical committee meets soon.

## Hospital Walkout Ended as Aides Return to Duty

Nine nurses aides employed on the first floor of St. Elizabeth's Hospital walked out today, apparently ending a walkout started by the aides Monday in protest of lack of salaries and their work load.

Bernard Pinney, personnel director said that all nine of the nurses aides who left their jobs Monday about 10 a.m. were working today, although one of them has submitted a two-week notice and her resignation.

He said that the aides who had left their jobs in an attempt to negotiate a new work schedule that would give the aides some weekend time, off they said the previous work schedule which had provided every other weekend off had been satisfactory, but that the schedule had not been followed recently. The aides said they seldom received consecutive days off and usually were required to split up the weekend, working one day and off for seven days worked.

One aide declared the employees also had requested additional help to handle an average of 65 patients on the floor, 30 of them bedfast and 24 of them handicapped. She said that usually only seven or eight aides worked during each shift.

Pinney said the rotating work schedule under which the aides work provides seven days off with four consecutive days off. He said that "in fairness to all employees without exception, we cannot have one individual, and to provide adequate and complete patient coverage around the clock on an everyday basis, resulting in better patient care, was the reason for adoption of the rotating schedule."

Pinney said that after the walkout it was explained to the aides that "what they were asked to do was for the best interests of our patients and that if they could not meet these requirements because of family situations or such, the only alternative was to hand in their resignation."

He said that "all employees in the hospital will be taken up at a later date on an individual basis."

Sister Mary Thomas, administrator of St. Elizabeth's Hospital, said she wished to "thank publicly the nurses and aides who remained on duty today, and who came from other nursing divisions, who so generously gave their time and effort to cover the medical floor so that the patients would be cared for last Monday."

He said that "all employees in the hospital will be taken up at a later date on an individual basis."

## David Wins (Continued from page 1)

read from a prepared text, giving her views on government and a review of council activities for the past 17 months.

Barash said there had been more foul-ups in the Street Committee than in the past 17 months. "Let's get him," he added. Noni charged that present council members formed through secret meetings aimed to keep senior aldermen off. "You told the mayor that," she charged.

Rutledge added that 10 aldermen had met on the committee proposal and that the group was opposing the mayor. "You told us," he remarked to David that "you regain control of the council in six months, and you were right even though it took a little longer."

Today we're in about the same position as we were before the last election. Maybe the people will complete the job at the next election.

Mrs. Betts said she favored senior aldermen over junior aldermen for committees because of experience. She said she was qualified to speak because she had suffered the indignity of having been removed from committees not only by the mayor but also by a junior alderman.

She charged the new group of aldermen elected in April 1963, had called illegal meetings with out going through the mayor's office and that ordinances were submitted without anyone being advised of their existence. She added that the committee sessions excluded senior aldermen, and that the newly-elected group tried to run the city of finances and departments.

The mayor learned that he could not run the street department, and yet he had a junior alderman who felt he could run this department as though he were elected to that office, she added.

Alderman's Review  
In several of the alderman's review she added that attempts were made by junior and senior aldermen to "outbid" each other. She said the city's old street sweeper was repaired at cost of \$68,000 without council approval, a recommendation for high bid purchases of street equipment had been rejected, but specifications had been prepared in an unfair manner.

Sternberg replied that he would have something to say about the sweeper repair at a later date. Other aldermen pointed out there had been no advance announcement by the mayor before he submitted the committee amendment.

Favoring the amendment were Aldermen Nann, Skush, Whit, Bartick, Bassett, John, Betts, Boyd, Bergfeld, Dallas, Penney and Muerlin. Opposing it were Aldermen John, Sternberg and Thompson.

Wagner, 52, of 2901 E. 14th street, rear fender. The truck, driven by Charles E. Berry, 43, of Caseyville, had damage to the right front fender and grill.

The pavement work cleared after 1 1/2 hours by two trucks and a state highway department crew which swept up debris.

## Campaigning at School as Mock Election Nears

Adults may be concerned by the fact that Oct. 27 is the first day of the mock election in the Street Committee. The mock election is a "let's get him," he added. Noni charged that present council members formed through secret meetings aimed to keep senior aldermen off. "You told the mayor that," she charged.

Rutledge added that 10 aldermen had met on the committee proposal and that the group was opposing the mayor. "You told us," he remarked to David that "you regain control of the council in six months, and you were right even though it took a little longer."

## Area Cities (Continued from page 1)

know that when they threw this problem on us, it's just like a lot of other problems the state has handed us without the funds to solve them.

"There isn't any question but that we are going to need state money to handle this and the mayors plan to get started on it right away," he added, pointing out that special legislation was the answer with a request to the state to provide means and money for a joint or cooperative operation.

He pointed out the federal government is assisting cities financially for sewage treatment plants, and that federal or state grants could become possible for the elimination of health and air pollution problems.

The proximity of Mitchell and Ponton Beach is expected to bring both of those areas into the picture, he said. "We should therefore consider them as a part of the overall program."

What is It? A  
"Disdrag" Plant  
The mystery of the "What Is It?" plant in the yard of Mrs. Halkoichi Mordchalin, 1735 Walnut street, has been solved.

He picked seven of them in his yard yesterday and has half dozen more still on the vine, he related to the newspaper.

When growing to a length of eight to 13 or 16 inches, the plant becomes brown and dry when it matures. It rattles when shaken due to its black seeds, which automatically pour out onto the ground during the ripening process and produce another crop.

When the outer skin is peeled off, Buchholz explained, what is left is a "disdrag" — a fibrous substance which can be used to scour pots while washing dishes. Many people in southern Illinois use it for just such a purpose, he told the Press-Record.

On the Mordchalin property, the plant is growing from a leafy vine which has engulfed a small tree and is moving toward the house along an overhead electrical wire. Buchholz said his vine is following a fence.

Merchants Attend  
IRMA Regional Meeting  
Several Quad-City businessmen attended a regional meeting yesterday at the Illinois Retail Merchants Association at the Illinois Club, East St. Louis.

Among local merchants attending were Maurice Rich, IRMA area chairman, William W. Rybak and Roy Feder. A retail problems clinic was held in the afternoon with discussion on shopping, store protection and insurance funds among the many items discussed.

Joseph Meek of Chicago, IRMA president, was the principal speaker at the dinner meeting. He discussed upcoming Illinois legislation that will affect merchants and urged repeal of the federal excise tax and a change in the line policy on the sales tax.

## Mrs. Mabel Lavender Dies In Carbondale

Mrs. Mabel Lavender, 60, sister of three Granite City residents, died in Doctor's Hospital at Carbondale at 6 p.m. Wednesday. She had been ill two years of cancer.

She was the sister of William N. Lavender, 1109 Kingston Rd.; Howard Cook, 4724 Vincent avenue, and John Cook, 2308 Iowa street. Funeral services were incomplete today.

### County Zoning Board To Hear Two Petitions

The Madison County Zoning Board of Appeals has called public hearings for Oct. 16 on two requests for special use permits received from residents of Nantoni and Chouteau townships. One will be held at 10:30 a.m. on the petition of the Inbridge Development Co., owner of record, and Marie Edwards, purchaser, requesting a permit for a mobile home court on lots 3, 4 and 5, Louis place subdivision, located on old By-Pass 66 across the road from the Sun & Fun Amusement center. It will be conducted at the site. The other is set for 2 p.m. in the board of supervisors room, county courthouse at Edwardsville, on the petition of Vivian Blankenship, owner, for a permit to install a beauty shop in a residence in Nantoni township, located 3-2 residence, located at 2412 Roney drive, New Haven Manor subdivision.

### Runs Traffic Signal

Darwin R. Freeman, 23, 616 Jefferson avenue, Venice, was arrested at 12:05 a.m. Wednesday at 23rd street and Madison avenue on a charge of running a red traffic signal. A hearing was set for Oct. 10.

### Two Girls Scalded, Two Footballers Hurt

Two girls with scald burns were given emergency treatment Tuesday at St. Elizabeth Hospital along with two boys hurt while playing football.

Donna Jones, 3, daughter of Mr. and Mrs. William Jones, 2712 Denver street, suffered burns to both feet and her leg up to her knees when the stepped into a tub of hot water. Anna Pierce, 10, daughter of Mr. and Mrs. Everett Pierce, Lovejoy, was burned about her face, chest and right arm when hot water spilled on her.

Injured playing football were James Jones, 13, son of Mr. and Mrs. Samuel Jones, 221 Briarcliff, who fell and hurt his right elbow, and Ralph Burnett, 12, son of Mr. and Mrs. Ralph Burnett, 2420 Hemlock avenue, who injured his left elbow.

Col. John M. Ansley, former commander of the Granite City Army Depot, has officially taken over his new duties in the newly established Army Engineer office at the Air Force Academy near Colorado Springs, Colo. It was announced this week.

He will work with the academy officials through the Air Force regional civil engineer offices in Omaha and Colorado Springs.

Col. Ansley, 48, commanded the depot here from 1961 until August. Col. and Mrs. Ansley have three children. Their oldest son, John Jr., is married and living in Granite City. Twelve-year-old Gregory and 10-year-old Nancy Jo live with their parents at Air Force Academy Quarters 9638.

### Twilight Optimists Told Of Easter Seal Society

Services to handicapped children were explained to the Twilight Optimist club during its dinner meeting Monday night at the Elbow Bowl by Miss Betty Zapp, representing the Madison County Easter Society.

The speaker, who also showed photographic slides, was introduced by Wilson Andrews, president. Andrews conducted a business session for the gathering of 15 members.

### Mitchell Kiwanis Studying Fund-Raising Projects

Mitchell Kiwanis Club members are considering types of fund-raising projects to get \$400 to \$500 for fall and spring youth activities. Sponsorship of a youngsters' bowling team was taken under advisement at Monday's dinner meeting at Art & Norma's Cafe.

Eugene Durrett, president, said he will report on possible fund projects in the near future. Under consideration are a county sale, a turkey shoot and a skeet shoot. Six members were present.

### Two County Officials To Attend Institute

Willard Poffelt of Granite City, Madison county circuit clerk, and Robert Zitt of Wood River, traffic deputy, plan to attend the 18th annual Midwest Traffic Court Conference Oct. 12-16 at the Northwestern University School of Law, Chicago.

It is being cosponsored by the American Bar Association and the university's traffic institute. They will attend lectures, demonstrations and panel discussions and will review the functions of docket and calendar control, record keeping, reports and violations.

### European Tour Revealed Yugoslavs Contented

If Russia ever starts trouble in Europe, the American Army will have a fine account of itself, Col. Charles B. Schweizer, commanding officer of the Granite City Army Depot, told a meeting of approximately 50 Granite City Rotary club members during their weekly luncheon meeting in the YMCA Tuesday.

Colonel Schweizer, who spent three years in Europe as chief of staff of Army Communications and twice was decorated by French officials for his activities in promoting Franco-American relations, told Rotarians that the U.S. Army "is doing a lot of fine work in Europe, and everything isn't peaches and cream" for those who are stationed in Europe. You should be mighty proud of your U.S. Forces.

Those remarks were a prelude to his description of a tour of the southern section of Europe taken by himself and members of his staff prior to returning to the United States to take over the commander's post at the Army Depot. High points of interest were illustrated with colored slides.

Col. Schweizer said he and his family started south of Paris, crossed into Germany and then to Munich across Austria, over the Brenner Pass and the top of Italy, and to Trieste. They then drove into Yugoslavia and on to Sofia and Istanbul, Turkey. The trip continued to Constantinople and to Athens and Corinth from where they took a boat trip along the coast of Greece. Later they continued on to Naples, Pompeii, Rome, and Pisa, eventually returning along the French Riviera. They left for the United States from Southern France upon completion of the tour. Col. Schweizer took over the command of the Army Depot on Aug. 17.

Showing slides illustrating conditions in Belgrade, capital of Yugoslavia, Col. Schweizer pointed out that while this is considered "Iron Curtain" country, the people of Yugoslavia are well dressed, well fed, have jobs and, in general, apparently contented under Tito's brand of Communism.

Cross-country road conditions are very bad, but there is a program of building that will improve this condition in years to come. In some places, he said, he didn't dare get off the shoulder or the road for fear of the car sinking in its axles. He related that while his wife and daughter spoke French and German, and that he could get

along fairly well in Spanish, they still encountered difficulty with language barriers.

"People Were Wonderful," he can only say the people in Yugoslavia were wonderful," he remarked. "As we went down the highway, there were gas stations about every 30 miles, and at each one of these they had a girl who came out and looked at your license plate to see what country you were from. The girl then addressed you in your language and made your wants known to the man who pumped the gasoline."

Col. Schweizer's slides included photos of churches and government buildings demonstrating different types of architecture, among them the Cathedral of Belgrade which, he said, is considered one of the architectural wonders of the world. He said that while in Yugoslavia, he could determine no apparent effort to restrict religion and that churches were well kept and conducted services openly and regularly.

Accompanying Col. Schweizer on the European tour were his wife, his daughter Ann, who now is a senior at Wittenberg College in Springfield, Ohio, his daughter, Elizabeth, now a freshman at University, and his son, Charles, now a freshman at Dartmouth.

### TROOP 90 TAKES FIVE-MILE HIKE

Boy Scout Troop 90, sponsored by the First Methodist Church of Madison, held a five-mile hike Sunday afternoon as part of an achievement program.

Scouts participating were Richard Ballew, Charles Beasley, Francis Dant, Frank Derr, James Ditty, Lewis Hackett, Joe Pinera, Larry Richmond, Steve Skokko, Joe Thompson, John Thompson, David Vance, Joe Vaughn and Kenny Vandermark.

The scouts were accompanied by assistant scoutmaster Charles Vance, neighborhood commissioner Ruel Hooper and guests, Mrs. Karen Hooper and son Richard.

### KIM BUSTER HONORED ON SEVENTH BIRTHDAY

The seventh birthday of Kim Buster was observed Sunday afternoon with a party given by her mother, Mrs. Barbara Buster, her grandmother, Mrs. John Gadwell, and an aunt, Miss Connie Gadwell, at the Gadwell residence, 1651 Market street.

Games were played with prizes awarded to Kimberly Kern, Norman Hood, Pat Thompson, Susie Baker and Gayle Garrison.

The room was appropriately decorated and the refreshment table was centered with a large cake topped with colored roses.

Favors of miniature baskets filled with assorted mints were at each place setting.

Mark and Terry Buster, brothers of the honoree were among the guests.

### BOYERS ANNOUNCE BIRTH OF DAUGHTER

Mr. and Mrs. Hubert Boyer of O'Fallon, Mo., are announcing the arrival of a daughter when they have given the name of Connie Sue. The six-pound infant was born Sept. 30 at St. Joseph's Hospital in St. Charles.

The Boyers are the parents of two boys, Douglas and Danny. Mrs. Boyer will be remembered as the former Miss June Berger, daughter of Mr. and Mrs. Marion Lionberger of Madison.

### NINTH BIRTHDAY OF SUSAN GRIMES

Susan Grimes celebrated her ninth birthday Sunday with a party held in the home of her parents, Mr. and Mrs. Lester Grimes, 1658 Fifth street.

Games were played, with prizes being awarded. A decorated cake was served with other refreshments to Kathy Downs, Robin Sander, Deborah Burns, Ellen Bosworth, Sandra Scrim and her sisters, Sally, Jeannine and Becky Grimes, and Johnny Grimes. Susan received many gifts.

### JOY CLASS HONORS MRS. MCBRIAN ON BIRTHDAY

The Joy Sunday school class of the First Methodist Church met Monday evening at the church for a monthly meeting, which was called to order by the president, Mrs. A. Richardson.

A short business meeting was held, with a report given on apple butter made and sold Sept. 26 at the church by members of the class Mrs. Richardson gave the devotional, "Holy Communion."

At the conclusion of the meeting, the group adjourned to the basement, where lunch was served. The table was centered with a birthday cake for the birthday of the class teacher, Mrs. Estella McBrien. She received a number of cards from the members.

Those present were Mr. and Mrs. Robert Black and daughters, Mary Ann, Margorie and Anita, Mr. and Mrs. Wesley Clemens, Mr. and Mrs. Louis Creighton, Rev. and Mrs. Eugene Beasley and son, Charles, Mrs. Catherine Okai, Mrs. Avis Richardson, Mrs. Ruth Vaughn and Mrs. Ruby Koller.

Mrs. Meta Wilkins, Mrs. Graves and Mrs. Okai were hostesses for the evening.

### FAMILY NIGHT AT MADISON METHODIST

"Family night" was observed by members of the First Methodist Church, sponsored by the Women's Society of the church, Sunday evening.

Families arrived with covered dishes to be served during the supper hour. A song service was held, with the remainder of the time spent watching a film purchased by the society.

Approximately 65 were present.

### MRS. GNOTH IS HOSTESS TO CLUB

Mrs. Mable Gnoth entertained the Chatter Canasta club in her home, 1631 Third street, Tuesday evening. Canasta was played upon arrival of the members and a guest, Mrs. Betty Jane Piaz.

Winners in games played were Mrs. Annie Laura Platt, who held high score, and Mrs. Deloyce Rhoads, low score. Other members played were Mrs. Mattie Bosworth, Mrs. Billie Bosworth, Mrs. Rae Miller and Mrs. Bernice Gushoff.

Miss Patricia Piaz, niece of the hostess, assisted during the evening. Mrs. Platt will be the October hostess.

### INTERMEDIATE AUXILIARY MEMBERS RECEIVE PINS

Intermediate Girls Auxiliary members of the Temple Baptist Church met Monday evening with Mary Ann Chamberlain,

president, presiding. The meeting was opened with the watch word and allegiance, followed with prayer by Miss Chamberlain.

Miss Mary Lee Champion read from the Bible, with Miss Connie Aldridge reading the prayer calendar. Miss Peggy Gibbs offered prayer for missionaries. Bible verses were read by Miss Linda Volmer.

Mrs. Janet Gibbs presented the girls with their auxiliary pins for the new year. A short business meeting was held, with plans made for a coronation to be held Oct. 11.

Mrs. Gibbs closed the meeting with prayer. Others attending were Miss Glenda Hon and Miss Delilah Dorste.

# RAINBOW STAMP

## FOR EACH FILLED BOOK AND THEY ARE NOW RE

### SCHERMER BROTHERS

1127 Madison Ave., Madison, Ill.

September 24, 1964

Dear Customer

Now a new and exciting development in our Rainbow Stamp program. In line with Schermer's policy of always making the best possible deal for our customers, we have developed a new and simple program for Rainbow Stamps which we know will meet with your approval. HERE IS THE DEAL! Effective now, Glik's Department Stores and Ace Hardware Stores will redeem filled rainbow stamp books for \$3.00 in trade on any item in their stores. This means now, that instead of being limited to 1200 catalogue items as in the past, you now have a choice of over 100,000 items that you can buy with Rainbow Stamps. Further, every item is in stock and obtainable instantly, no waiting, no ordering, no fuss, no delay.

With this program it will no longer be necessary for us to operate the redemption department on the second floor of our market and so naturally it will be closed. WE WILL STILL CONTINUE TO REDEEM FILLED STAMP BOOKS FOR CASH ON THE MAIN FLOOR. Remember, now, \$2.25 in cash for books redeemed in our market, \$3.00 in trade for books at Glik's or Ace.

We know that you will like the new arrangement and by this new program you will find that your Rainbow Stamps are more valuable than ever before.

If by some chance, there should be some problem created by the changeover, please feel free to discuss it with either Leo, Avery or Stan and we feel sure that we will be able to work out something that will be satisfactory to you.

In conclusion, let us thank you for the fine support you have given our store in the past, and for your continued patronage in the future. Perhaps now, with this new program, you can convince some of your friends who are not now Schermer customers, that we not only have the best store, but the best STAMP PLAN as well.

Sincerely yours

The Granite City unit of the Madison County Homemakers Extension Association will hold its next regular meeting at 12:45 p.m., Wednesday, Oct. 7, at the Nameoek Presbyterian Church.

### FESTIVAL, OCT. 11

A quilt festival is to be held at St. Elizabeth Church on Oct. 11 instead of Oct. 4, as was listed Monday.

Items of the football uniform and explaining the purpose and use of each one. He said the cost of outfitting a boy is \$138, and each player has a complete outfit. There are 60 ninth graders and 20 eighth graders in the football program at present.

John Tonoff gave the second half of the program by explaining basketball, wrestling, track, tennis and baseball, and the athletic program the school has outlined for this year.

Reformations were served in the school cafeteria. Next board meeting will be held Oct. 19, and the membership meeting Oct. 26. More parents are being urged to attend.

Mrs. Clara Haring and Mrs. Bill Pyle, football coach, presented the first part of the program by outfitting a boy with

### Wortman Hearing on Phone Threat Reset

Preliminary hearing for Frank "Buster" Wortman, 59, East St. Louis racketeer, was continued at Chicago Wednesday until Sept. 21. Wortman is charged with threatening the manager of the Cahokia race track by telephone.

The hearing was set Wednesday before Judge Walter P. Dahl in criminal court, but was postponed at the request of Wortman's attorney, Frank G. Whalen. Wortman did not appear. He has been free on \$1000 bond. Wortman is charged with making threatening remarks to George E. Day in a telephone call from the race track to a Chicago hotel where the track manager was attending a meeting.

### GCB CLUB MEETS

With Mrs. SEYMOUR Mrs. Thel Seymoure entertained the GCB club yesterday afternoon at a luncheon in her home on Lake View drive. Those who excelled at games and received prizes were Mary McCauley, Mrs. Eta Davison, Mrs. Clara Haring and Mrs. Louise Scherrer.

### Bar Auxiliary Discusses Museum Ball Saturday

The Madison County Bar Association Women's Auxiliary met last night at the Rose Bowl. Attending were Mrs. Jean Francis, president; Mrs. Belva Hiscott, vice-president; Mrs. Ginger Glickoff, secretary; Mrs. Mary P. Durr, Mrs. Pat Bernard, Mrs. Carol Strawn, Mrs. Stephanie Pratt, Mrs. Maxine Quackenbush, Mrs. Liz Crook, Mrs. Frances Buckley, Mrs. Mildred Holscher, Mrs. Pat Coffey, Mrs. Marlene Metzger, Mrs. Marilyn Armstrong and Mrs. Jeanne Betty.

Mrs. Louise Lewis, associate member, discussed progress made on the newly-renovated Madison County Historical Museum benefit ball, sponsored by the Madison County Bar Association, Hotel, Alton, and suggested that anyone wanting tickets contact Mrs. Glickoff at TR 7-7476. Tickets also can be purchased at the door.

Plans were made for a car travel through life. The group of the Fifth spouse, wife out many a friend-District of the Northern Div-

### Quad-Cityans Seeking World Series Tickets

State rivalry may complicate regional planning, but boundaries were forgotten this week as Quad-Cityans have caught up in the St. Louis baseball Cardinals' drive to undisputed first place in the National League.

The season ends Sunday, and many Quad-Cityans were among those in the crowds mulling ticket requests at the midnight starting line last night—hopeful that the Oct. 7-13 World Series is held in St. Louis, and that their ticket applications are successful.

Arnold Rutherford, Robert Miklasuk and Ed Cash.

Chicken dinners were served in the afternoon.

BRIDAL SHOWER FOR MISS TEESHA BAKER

Teresa Baker was completely surprised with a bridal shower Sunday afternoon at the YMCA, given by Catherine, Monica and Betty Meyer.

The hall was decorated with white streamers and white wedding bells. Lunch was served to Toni, Theodore, Belle Kreher, Mrs. Otto Rosenhal, Regina Jackson, Margaret Cavar, Magdalena Mischum, Antonia Seelner, Marge Vrecek, Caroline Sholl, Pat Sholl, Olga Karak, Olga Johnson, Antoni Rosenhal and children, Debbie and Bobby. Ann Ridenout, Mary Allen, Dorothy Werch, Elizabeth Buch, Margaret Lee, Patricia Lee, Daisy Adams and son, Teddy, Leonie Meyer, Pat Petrovsky and daughter, Lisa, Becky Olschurt, Elva Meyer and Marie Wallbauer.

The honoree received many gifts. She will become the bride of Steve Meyer Nov. 7 at St. Elizabeth Catholic Church.

HERE FROM TEXAS

### Jury Awards Cahokia Man \$33,740 Damages

A civil jury has returned a \$33,740 judgment for Herman Burke of Cahokia against the Guarantee Electric Co. of Granite City in the Granite City division of circuit court.

An ironworker for the M. H. Wolfe Co. at the time, Burke was injured on Dec. 14, 1961, when a steel plate fell from a crane operated by the firm on Granite City division Co. project and struck him on the head.

Granite City Steel had been a defendant in the suit, but Judge Schuman directed a verdict of dismissal on a motion by the steel firm's attorneys. A similar motion made for Guarantee was denied.

Another case in which Elvin Goodman sought \$10,000 damages against Joseph Cobb for injuries received in an auto accident Aug. 11, 1961, in Granite City was settled out of court before it reached the jury.

### FIFTH BIRTHDAY PARTY

Danny Fricke, son of Mr. and Mrs. Harold Fricke, celebrated his fifth birthday Sunday at a party, given by his parents. Nine cousins were shown and refreshments were served to Mr. and Mrs. Jesse Burnett and sons, Correll and Steven, Mr. and Mrs. Arthur Burt, George Fricke, Mr. and Mrs. Walter Burt and Misses Betty Fricke, Edna Fricke and Norma Rivier.

### WORLD FRIENDS

ADVANCE TO GALS, R.A.S. World Friends of Gals, R.A.S., Second Baptist Church, met Tuesday afternoon for a special promotion program. Opening prayer was given by Miss Evelyn Barnes, leader. Miss Barnes told the story of a mission family on Taiwan, and Bradley Crown led in prayer.

Following games and group singing, Miss Barnes presented each member with a gift from the Woman's Missionary Union. The Young Women's Union awarded World Friends emblems to members who had completed workbooks. Those receiving emblems were Bradley Crown, Denise Wajson, Christine Smith, Johnny Snider, Alan Newberry and Eury Lewis.

Each child received a "promotion certificate" to either the Girl's Auxiliary or Royal Ambassadors. Miss Barnes gave closing prayer and served refreshments. Others attending were Denise Mayes, Beverly Bellman and two visitors, Kathy Casey and Rachel McGee. Miss Barnes announced that the G.A.'s will meet on Tuesday at 6 p.m. and the R.A.'s on Saturdays at 11 a.m.

### CUB SCOUT PROGRAM

Explained at School Cub Pack 19 of Washington school met at the school Monday evening for a regular monthly meeting. George Birdsong, Oliver Gilmore and Gordon Whitford were in charge of the meeting, which was opened with a reading, "Looking Up to the Flag" by Den One. Reports were received.

Group singing was led by several of the parents, and den yellows were given by each den. Stunts were performed by Dens One and Four. Birdsong discussed the importance of the boys attending den meetings and parents attending monthly pack meetings. He explained how the boys earn awards and what is expected of them while they are attending pack meetings at the school. A game was played by Dens Two

## Legislators Pleased with SWIU Progress

Satisfaction with the construction progress at Southwestern Illinois University Quad-Cities campus was expressed by a six-member state legislative visitation committee that toured the projects Tuesday morning.

The committee, headed by Senator John G. Gilbert, Carbondale, met with members of the SWIU board of trustees for a luncheon at the Sunset Hill Holiday Inn. Others were Sen. Richard E. Larson, Carbondale; Sen. William Lyons, Gillespie; Rep. Clarence G. Hall, Galatin; and Rep. Miles E. Mills of Effingham.

Awards were presented to Steve Goodson, Terry Myers, Edson Odum, Tommy Adams, Michael Richardson and Daniel Whitehead.

Den mothers, Mrs. Elsie Whitehead and Mrs. Elaine Goodson, received one-year pins; den mother Mrs. Jewel Weaver a two-year pin; and Cuts Tom Adams, Jerry Cundiff and Michael Richardson, two-year pins. Attendance honors in the form of a parents' award ribbon went to Den Four, led by Mrs. Vivian Cundiff.

Roll call was given by Gilmore, and uniform inspection was taken by the three leaders. Birdsong announced the time and place of several meetings, including a pack meeting Oct. 26 at the school which will be a Halloween party.

SUNBEAM PROMOTION Virginia Wingo and Evelyn Owen Sunbeams of Second Baptist Church met Tuesday afternoon.

Promotion of the groups was completed, and each group met with the leaders, Mrs. Betty Lewis and Mrs. Beverly Crown. Story time was followed by a joint meeting of the groups, and came were played.

Refreshments were served by Mrs. Jean Wyatt to Marilyn Mayes, Robin Downing, Rhonda Tadlock, Robin Franklin, Delta McIntyre, Kevin Crown, Ann Snyder, Debbie Freeman, Mary Ann Casey, Theresa Gilliam, Debbie Carmichael, Darlene Wright, Rickie Almer, Raymond Kidwell, Debbie Davis, Pamela Wyatt, Nancy Sanders, Carl Wilmoth, Gill Lewis, Julie Whitson, Dennis Reynolds, Danny McCluskey, Robin Wyatt, Gwen Olive and visitors, Lynn Parker, Lame Whitson, Carol Freeman, Brenda Holloway, Bruce Crown and avery rown. Special thanks were given to the ladies of the Woman's Missionary Union who sponsor the Sunbeams.

Board Chairman John Page of Centralia welcomed the legislators who later heard SWIU President Dr. Delyte Morris discuss details on buildings currently under construction. He said further needs of the new SWIU campus would require at least \$25,000,000 more.

Student Estimate Low Dr. Morris said that original estimates of an eventual student enrollment of 18,000 is now considered too low. For the current semester, 6,500 have enrolled, he said, at the Alton, Edwardsville and East St. Louis branches with admissions not yet closed. The figure already tops last year's enrollment of 5,742 students.

Annexation, Maryville Road Extension Under Study by GC

Annexation of the 26-acre new park-playground near Shamrock Gardens subdivision, dedication of an extension of Maryville Road at the park and annexation of the first addition to Shamrock gardens, all requested by Henry Ross, were referred to the City Planning committee Tuesday night by Granite City council members.

Also referred to the committee was the approval granted by the City Plan Commission for a change from E-2 residential to "B-1" business zoning for 222-234 Dewey avenue to permit expansion of the city food market warehouse. Approved was an M-2 heavy industry classification for a 7.75-acre tract for Young & Greenwald, cultivator fabricators. The tract is located south of the city dog pound.

News From  
The Files  
Of The  
GRANITE CITY PRESS-RECORD

**OCTOBER 2, 1914**  
Members of a colony of sportsmen who have club houses at Hartford station, on the Mississippi River, were wrought up over the way thieves broke into their club houses during the last few nights and robbed them of practically every article they could steal. Everything from pocket knives to shotguns was taken.

An estimate of the value of goods stolen shows that the thieves secured in the neighborhood of \$400 worth of goods, although some of the articles stolen were worth more than their actual value to the club, because they cannot be replaced. Members of the various clubs are becoming tired of being robbed and have arranged to keep a man in each club house with rifles and revolvers.

Night school opened at Granite City high school Thursday evening with an attendance of about 80 students. Quite a number sent in their applications but were not able to be present the first evening. All seemed to be very enthusiastic in taking up the work.

Among the subjects to be taught are algebra, geometry, history, arithmetic, chemistry, physics, bookkeeping, German, English for foreigners, business English, stenography, shorthand, penmanship, cooking, spelling, mechanical drawing, millinery, dressmaking, electrical engineering, pattern making, grammar, advanced English, rhetoric, sewing and iron and starching.

Over 100 students are expected to attend the evening courses.

The Past Noble Grand club is being entertained this afternoon at the IOOF hall by Mrs. E. W. Bergmann.

# 75 YEARS AGO

The following items were taken from the files of the Granite City Press-Record.

**MONDAY, OCTOBER 2, 1889**  
Closed state banks of Illinois after seven to nine years of being in receivership, still their creditors approximately \$128,000,000. At the time of closing their total liabilities were \$20 million. Thus far, \$18,224 has been paid to creditors. There were 435 such institutions. Of these, 152 have been liquidated completely. The other 283 remain in receivership under the control of Edward J. Barrett, state auditor.

There will be big doings at Wilson Park Friday. It will be the second annual car fire for the Girl Scouts, starting at 4:30 p.m.

Girl Scouts, Brownies and Senior Scouts will cook supper outdoors and will enjoy singing around a campfire and other activities. Parents are invited to attend. Girl Scouts are asked to bring a flashlight and tie it to their belt.

Meeting in a special session Friday night, the city council voted 11 to 2 in favor of a resolution of cooperation with the Granite City Housing Authority for construction of an estimated \$750,000 federal rental housing project containing 152 family units.

The units will not be available to everyone but will be rented to families with small incomes. They cannot earn more than \$100 a month and must be exempt in cases where the family is unusually large.

The fifth birthday of Tommy Handley was observed Saturday with a party given by his parents, Mr. and Mrs. Walter Handley, 2113 Adams street. The table was decorated with pink and blue ribbons extending from the chandelier to baskets of candy at each place.

Centering the table was a large birthday cake, lighted with the appropriate number of candles. Anita Sue, Moody, Morgan and Tommy Johnson won prizes.

A group of young people enjoyed a winner roast last week at Monks Mount. In the party were Miss Ruth Cole, Dick Hoshier, Miss Mary, Margaret Noonan, Kenny Graham, T. J. Hunt, Bob Henshaw, Miss Kaye Mueller, Bob Weston, Miss Mary Jane Clark, Al Kahler, Miss Vivian Paullette, Kenny Hicken, Miss Harriet Bowler, John Kennedy, Miss Nadine Frohardt and Quentin Smith.

While directing traffic at 15th street and Madison avenue Friday night, Captain Adolph Lamm of the Madison police force narrowly escaped being run down by a speeder. Two officers assisting Capt. Lamm commandeered automobiles and gave chase after one of them threatened two shots in the air in an effort to halt the speeder.

They finally overhauled him at 21st street and Madison avenue and halted him by running his car into the curb. When placed under arrest, the speed-

## Court Ruling Poses Questions About Constitutionality Of Townships, Wards

The legislative branch has failed to effectively challenge the reorganization ruling by the U. S. Supreme Court, but the "one man, one vote" principle may prove to be deceptively simple. In inferring that no geographical divisions other than the states themselves have much significance, the high court may have set into motion changes more sweeping than those originally contemplated.

The Supreme Court directly challenged and found wanting the artificial boundaries created to form at least two rural counties. County boundaries also are being accorded little respect.

But if this trend of thought is to be followed, what is so sacred about township, ward and precinct lines? Is not the division of counties into townships, wards and precincts unconstitutional? How can Madison county ever be assured of adequate membership on the East Side Levee and Sanitary District board? How can the guarantee of at least two rural members of the Granite City school board be maintained? How can a populous township continue to be limited to no more than one member of the County Board of School Trustees?

Fair representation for each citizen is a worthy goal, but fairness is not going to be the automatic result of such a wholesale shakeup. If achieved, it is only going to be after long and diligent effort, including development of new methods for individual voters to protect themselves against the questionable practices of big-city political machines.

## Rings On Their Fingers

There is perhaps a commentary on life in the mid-1960s in news dispatches from England, but we are not going to attempt to find it. Instead of ringless fingers, window mannequins of ladies' apparel stores are now wearing wedding rings, if they are displaying bouidoir attire, and engagement rings—if they are advertising undergarments.

## Illinois Pavilion A Big Success At Fair

Illinois participation in the New York World's Fair was doubly effective. Best of all, the state's out-of-state pavilion and ranking in the top 10 among all exhibits in popularity and architectural design, the Illinois entry also has helped encourage tourism in requests from 48 states and 18 foreign countries.

Success of the fair pavilion is understandable in view of its offerings, which include a color movie of beautiful Illinois scenes, a "Great Moments with Mr. Lincoln" dramatic presentation and an unusually complete collection of original Lincoln documents and memorabilia. More than six million visitors are anticipated by the time the fair closes in October 1965.

## Dr. SIMS says SAFEGUARD YOUR HEALTH

A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

**SLEEPING SICKNESS—THE ACCIDENTAL DISEASE**  
Late this summer, the "ghost" of an almost forgotten disease came back to haunt us with its virulent outbreaks in the south and Midwest.

The disease is viral encephalitis, commonly known as sleeping sickness. "How can I protect myself and my family?"

Although disease outbreaks are rare, they are capricious and unpredictable. There is a good chance that sleeping sickness will NOT spread further in Illinois. One reason is that most outbreaks are confined to late summer and early fall.

Another reason is that insect-borne sleeping sickness is strictly speaking, an accident to man. One such insect is the culex pipiens mosquito, highly suspected as a cause of the current outbreaks.

Given the right circumstances, such as a large reservoir of infected human or animal hosts, the culex pipiens mosquito can "gang up" to cause an epidemic.

Accidental or not, encephalitis is a serious disease. It can be fatal. It can leave victims with high needs near you.

## Map Proposal Can Benefit All Taxpayers In County

As pointed out by the Madison County Citizens Planning Committee, detailed maps maintained at the courthouse regularly prove invaluable to tax assessment and collection authorities, building officials and others with duties to carry out in keeping the county government functioning and its laws enforced.

A half-cent maps and plats tax rate to be submitted to voters Nov. 3 represents a bargain in that it will help ease taxpayers of getting full value for their other county tax dollars.

Maps have become essential, but are virtually meaningless unless kept up-to-date. The proposal on the tax ballot deserves the support of all voters.

## Crime Reports Inform People Of Potential Threats To Their Safety

"Congress shall make no law... abridging the freedom of speech, or of the press..." There is nothing accidental about the fact that the press of this enterprise accords direct constitutional sanction. Both the legal and journalistic participants in a "Free Press" Fair trial symposium at the County Bar Association deserve credit for recognizing that the government must not attempt to dictate what newspapers can report on or comment about.

There undoubtedly is merit in proposing more discipline among lawyers, some of whom have gone to great lengths to put themselves in the spotlight, regardless of the effect on their clients. Perhaps some police have been too eager to be judge and jury as well in discussing cases with the public. And some media have exceeded responsible bounds in publicizing crimes.

But questions raised by the audience at the debate indicate there may be insufficient public awareness of the importance of the freedom of crime and of the governmental response to crime.

The public needs to know if a particular neighborhood or city unsafe. The public needs to know who is violating the law. And—since a Page One photograph in the Press-Record was referred to at the symposium—we unhesitatingly add that the people need to know the facial appearance of an individual charged with an act of violence.

It is not enough to wait until a trial has ended and a verdict reached, for only a portion of criminal cases end in prosecution and conviction. This connection, voters and taxpayers need to know how effectively their officials are coping with crime. And, in some instances, they need to be told that officials themselves are breaking the law. In all cases, of course, truth and not fiction must be reported.

Only the press—with the aid of conscientious citizens—is in a position to keep the public sufficiently informed. This is why it is known as the fourth estate. It enables the three other branches of government—the executive, legislative and judicial—to function by encouraging responsible citizen action. Surely, continued press freedom and fair trials are essential, and compatible, objectives.

## Hair Styles And The Campaign Trail

In the event some Press-Record readers have thoughts of competing someday for top national public offices, we hope they harbor no illusions about retaining any shred of privacy during their campaigns.

It is well known that the leading candidates have disclosed their personal financial standing in detail. Now, one of them has had to go even a step farther by disclosing his hair. He is a woman, and she has voiced the question, he does not dye it.

In the quest for success, there is no substitute for character or service.

## Control Of High Blood Pressure

Medical science has a habit of tackling a problem from all sides—wherever an opening presents itself—a fact for which many millions of hypertensive Americans can be grateful.

Unfortunately, although there are now many useful ways to treat hypertension, many Americans are not taking advantage of these medical "finds."

Value Of Regular Exams  
Sometimes it's because they don't know they have it. Sometimes it's because they don't know how to control it. The condition may be present for a long time before the patient becomes aware that anything is wrong.

A regular physical check-up is the only way to spot high blood pressure early. Early detection permits steps to be taken promptly to control the condition and avoid the possible complications that may affect the heart, kidney or brain.

## Freedom's Meaning

Big government—when it is overstaffed, extravagant, profligate and insatiable for power and money—is the natural and historical enemy of business and private enterprise which produces, transports or sells, or provides services for the people.

## Case Against Annual Sessions

Voters at the Nov. 3, 1964, election will have a proposal before them to amend the Illinois constitution to provide for annual sessions of the General Assembly. The proposal provides that the session held in odd numbered years will be identical to that held in even numbered years (May and June) of shorter duration, which will be limited to budgetary and finance matters.

The Taxpayers' Federation of Illinois has taken a stand opposing the proposed amendment, citing the following reasons:

(1) There will be substantial numbers of state and local government to the taxpayers if the legislature meets each year instead of every two years. This would take time needed for other essential legislation.

(2) The annual session proposal is not necessary, because the government now has the right to call special sessions at any time. At such a special session the legislature can pass emergency legislation in the government.

(3) The adoption of annual sessions with fiscal matters to be considered in the even numbered years could encourage the government to call special sessions in the even years to consider other problems of government while the legislature is in session. This in effect could allow a session on everything each year.

(4) While it may be true that it would be possible to estimate state revenues with more accuracy if there were annual budgets, it is also true that excessive caution and restraint on the appropriation side of the ledger lessens the state's ability to maintain its estimating revenues. Annual sessions, the TFI concludes, don't even use. People in Communist countries would give anything to be able to cast their vote for the man who is to be their ruler.

It seems to me that many adults must not care too much about what will happen in the U.S. if they did, they would take a little time out to go down to the polls and vote. The man who is in the White House is looked upon as our leader, chosen by the majority of the people to carry out their beliefs and desires.

It is up to adults to get the best possible man in office. We remember that our country is a democracy. We can only urge our families and friends to show how important this event is. The man who is in office can, by his actions, either destroy us or maintain our position in the eyes of the world around us.

Many men too, I might add, have lost their lives to gain this position. They have died to retain it. Why do some people ignore this privilege that they have and not vote? What is so great about this man?

Speaking for a great many times, I plead with all to take time to vote. The man who is in office can, by his actions, either destroy us or maintain our position in the eyes of the world around us.

Don't consider this voting a task—consider it a very great privilege. Our future lies in your votes. Vote and keep our country a place with a government of the majority.

MISS ALYN GRAP  
SOCIETY SECURITY DAY  
AIDED THOUSANDS HERE  
To the Editor:

I would like to take this opportunity on behalf of the Social Security Administration and the personnel of the Social Security District Office to thank you for your generous contribution to the "Know Your Social Security Day" in the Tri-City area on Oct. 1.

The results of the day were very gratifying as more than 1200 residents availed themselves of the opportunity to obtain information regarding the social security program.

Many thousands were also made aware of the program through the publicity coverage in the newspaper and on the radio. A successful social security information program requires the cooperation of the civic and business organizations in the community, and the Granite City and area organizations' support was an important factor in the wonderful results obtained.

## SMOG AS HEALTH THREAT

To the Editor:  
Tonight we searched our house for the source of a nauseous odor resembling something dead, and when we opened the windows, we suspected something inside to be the cause.

After checking the gas jets I went outside and found the entire neighborhood enveloped in a thick, foul, smoggy air. I could not remain outdoors.

It is time for action! People are dying from the effects of endangering their lives; yet no action has been taken. Every day we breathe in more noxious fumes than most die from the air.

Less than two years ago 750 persons died as a result of a smoggy winter smog. That this was a low toll compared with the 4000 deaths in London in the five-day smog in that city in 1952.

According to mounting evidence, a smoggy winter is a factor in the causation of the common cold, asthma, pneumonia, tuberculosis, influenza, chronic bronchitis, pulmonary emphysema and lung cancer.

Chronic bronchitis and pulmonary emphysema, both characterized by coughing and difficulty in breathing, are dramatically on the rise.

I wonder how Granite City's death rates from major respiratory diseases compare with those of other communities subject to the high degree of air pollution in the Midwest.

Federal government grants are available to state and local units wishing to establish air pollution control programs.

Most cities have anti-air pollution laws; yet here each household must burn its trash, if it is to be disposed of at all.

How long, Granite City, how long?

# Press-Record YOUTH FOCUS

## 3 Physical Classes On Saturdays at 'Y'

Three physical classes have been scheduled for high school youths from 4 to 7 p.m. Saturday at the YMCA, beginning this Saturday.

A 4 p.m. class in weight-lifting and bodybuilding will be held under the direction of Joe Southard, holder of four world records in lifting. Teenagers also may work out in the weight room from 4 to 6 p.m. Tuesdays and Thursdays.

At 5 p.m. Saturday, the group will work on the trampoline and learn basic tumbling. A judo class will be held from 6 to 7 p.m. in the dojo, Jim Fredrick, who will compete in the national junior judo championships sponsored by the Black Belt Judo Federation in Miami, will be the instructor.

There is no fee for the classes other than a teenage membership. More information may be obtained by phoning the "Y".

## Blue Knights Finance Billiard Table Repairs

The pocket billiard tables of the teenage department of the YMCA have been restyled and recovered through proceeds from a dance given by the Blue Knights Hi-Y club.

Work included in the reconditioning was replacement of the cloth for the bed and fall of the tables, repairing pockets, addition of chrome pocket shields, and streamlining joints and new paint.

The club, which includes 21 high school boys, held the dance last spring. About 300 high school students attended the affair.

PERU STATE COLLEGE "color song" occupies the attention of these freshmen-enrolling for the 98th academic year at Nebraska's oldest college. They are, left to right—James Nash of Granite City, Bill Kernann, Carol Hawley, Carol Henderson and Sandra Hopp, all of Nebraska.

## Three Band Dances Carded This Month At 'Y' Teen Town

Three orchestra dances are scheduled during October at the YMCA Teen Town, including a special Halloween dance set for Oct. 31.

The first will be held by the Y's Guys Hi-Y club from 8:30 to 11:30 p.m. Oct. 10. It will be a club dance and not one of the regular Teen Town functions, so membership cards are not recognized. Admission will be 75 cents with proceeds going to the Y's Guys club. The Bel-Tones will play.

On Oct. 23, the Imperials, who played a Teen Town engagement Sept. 25, will return from 9 p.m. to midnight to enable members attending a football game with East St. Louis to participate. There is no charge for members, and a 50-cent fee will be charged non-members.

The Halloween dance will feature the six-piece Bel-Tones, the band that played the back-to-school dance. There will be no charge for members and a 50-cent fee for non-members.

Other dances being planned include a special dance Nov. 10, another on Nov. 20, a Thanksgiving dance on Nov. 25, the Snow Princess dance Dec. 26 and a New Year's Eve dance from 9 p.m. to 1 a.m.

## 'Y' World Service Drive Set by Hi-Y, Tri-Hi-Y on Nov. 7

Junior and senior Hi-Y and Tri-Hi-Y clubs at the YMCA will attempt to raise \$1000 for World Service on Nov. 7 through the annual sale of this month's candy. Brian Bronsman, teenage director, announced this.

YMCA World Service started 75 years ago, Bronsman said, and today it helps youths by countless thousands all around the globe through the YMCA's young people learn early in life to join hands and work together for a common goal.

"It's appeal is universal—to young and old, to rich and poor, to all people everywhere. Its purpose is man's spiritual growth, and its result is a worldwide attack on poverty, ignorance and disease. Its goal is world peace and brotherhood, and its method is to help people to help themselves."

Bronsman added that today there are more than 10,000 local Y's in action on every continent, in 83 countries and territories and in most major cities of the free world. Together, they bridge all barriers of color, creed and culture and create a force that recognizes differences and helps to shape the course of world events.

Airman Potillo Assigned To Tactical Air Command

Airman Jerry K. Potillo, son of Mr. and Mrs. Jerry M. Potillo of 2445 Illinois avenue, has completed Air Force basic military training at Lackland AFB, Tex.

Airman Potillo is being assigned to a Tactical Air Command (TAC) unit at Shaw AFB, S.C., for training and duty as a musician. His unit supports the TAC mission of providing fire-fighter and other air support to U.S. Army forces. The airman is a 1964 graduate of Granite City high school.

## Alaska to Granite City Is Jump for New Student

Transfer students are nothing an enrollment last year of 280 new at Granite City high school and "it took about a minute to get few have had to make the walk from one end of the building to the other."

He is Glenn Johnson, a junior who moved to Granite City last summer with his parents, Mr. and Mrs. Elmer Johnson, 2208 Cambridge avenue, from Sitka, Alaska.

According to his classmates, speaking of weather and climate conditions, Johnson says "not only because of the milder that during winter months the wintry weather. After completion sun sets about four in the afternoon several weeks on the GCIS campus. You won't see it again until 10:30 or 11 the next morning. There are rougher here."

He is accustomed to over of the time where I was. In fact, crowded conditions, however, he isn't not at all unusual for it to rain, snow, sleet and hail all at the same time."

## 491 Photos Arrive, 131 Yearbooks Sold In Venetian Drive

By JUDY REIDELBERGER

A total of 491 pictures, taken earlier this year, were delivered to Venice high school Monday. High school students may purchase their pictures from Mrs. Barbara Williams, grade school pupils have taken their pictures home on approval.

The publications class sold 131 yearbooks this year, an increase of 21 over last year's sale.

A representative of the The Photo Publishing Co., visited Monday morning to talk to the class and provide a price on using linotype for the yearbook.

After checking the budget, Mrs. Williams, publications sponsor, decided to use the linotype instead of L.B.M. type. The publications class hopes this kind of type will help get a better rating for next year's yearbook.

**150 Jr. High Students Enroll in 'Y' Programs**

The YMCA fall program for junior high school students in this area has begun and about 150 students attended a free "sock hop" dance and other activities in the lobby of the Teen Town for the first event held over the weekend.

Prairie, Central and Coolidge junior high schools were represented, and seven new clubs are being formed. More clubs and adult advisors were invited to participate in the program.

Mrs. Bonnie Fuller, director said clubs will be organized through the school year and that the "Y" encourages students to join or start a junior Hi-Y Tri-Hi-Y club with supervision by the "Y" and interested adults.

The main purpose of the junior and senior "Y" clubs is to create and maintain Christian ideals in the home, school and community, she said. Club members have fun but they are required to conduct a number of worthwhile projects.

Members of the adult committee include Mrs. Fanny Epstein, chairman, Mrs. Mary Herman, Mrs. Jo Ebes and Mr. and Mrs. Richard Neuman.

The clubs held their first meeting of the year, in addition to candy-minis Nov. 7 to World Service and scholarship tag days in May for the Granite City Scholarship Foundation.

**Restrooms May be Built At GCNS Football Field**

Portable sanitary facilities for the public were discussed Monday night by the Granite City school board, which decided against authorizing them. Thought is being given to building permanent restrooms prior to the 1965 high school football season.

Over 3000 fans are expected at most football games, and portable facilities rented for an estimated \$130 to \$150 would be adequate for such an attendance as well as causing supervision and location problems and inviting vandalism, board members were told.

New structures cannot be built without voters' approval, but additions are legal; possibility of adding restrooms to the existing football bleachers is being considered.

Most of the boys, however, are forming the "Junior Y's Guys" under the supervision of Dave Walker, youth department director and present advisor. He asked parents to help serve as advisors.

Miss Dana Earnhardt and Miss Myrna Bischoff are advisors for Phi Beta Kappa, new club. Mrs. Milton Worthen Jr. has more room for her Central seventh grade girls club, of which she will be the advisor. Miss Kathy Howton is advisor for Chi Epsilon.

The YMCA judo club presented a demonstration in the art of judo. Participating were Cheryl and Bill Fuchs, Cathy Woods and Mike Middleton. Len Fuchs, president of the "Y" judo club, invited the youth audience to enter judo training on Wednesday and Friday evenings.

Mrs. Genna Norman registered instruction class to be held from 4 to 5 p.m. Saturdays. A Wednesday instruction class from 6 to 7 p.m. is still open for registration. Coed recreational dancing follows the lessons.

**Gymnastic, Swim Classes**

The Aero-Jets, a gymnastic class for junior high students, meets at 6 p.m. Wednesday. For swimming instruction, students were advised to check with the youth department. Miss Lambert, swim instructor at the "Y", should be consulted for the time of junior life-saving courses.

Registration for any of the classes may be made with various instructors or with Mrs. Fuller. "Y" membership is required, and for junior high students, the fee is \$9.50 plus \$1.50 for insurance which covers all "Y" activities for one year. Payments may be made in installments.

Mixed volleyball will be played by the clubs Saturday afternoon, and all junior high students were invited to participate.

Parents were invited to visit the YMCA to discuss programs in connection with their children. They may ask for Mrs. Fuller or phone her at the "Y."

## Convention in Alton For Catholic Nurses

The Diocesan Council of Catholic Nurses will hold its annual convention in Alton on Sunday, Oct. 11, with the theme "Catholic Nurses, are you serving Christ or self?" Miss Nina Dittman of Madison, Diocesan president, will preside.

A registration with a coffee period will be at 10 a.m. in St. Patrick's school hall, Fifth and Central avenue. The Holy Sacrifice of the Mass will be offered at 11 a.m. by the spiritual director, Rev. Frank Dirksen, in St. Joseph's Hospital chapel at 915 East Fifth street.

Dinner and the program will follow the Mass and the principal speaker will be the Very Rev. Msgr. James Mosek, spiritual director of the Chicago Archdiocesan Council of Catholic Nurses, associate director of the Archdiocesan Catholic Hospitals and president of the Chicago Hospital Council.

Advance reservations may be made with Miss Marceline Henson, 1406 Rodgers avenue, Alton.

## Approve Issuance of School Bonds, New Interest Schedule

Having accepted the bond issue bid of the Northern Trust Co. of Chicago at its Sept. 16 meeting, the Granite City school board Monday night authorized issuance of the bonds. The board also advised Miss Eulalia Hotz, county clerk, of the principal and interest payments which will need to be financed through bond tax rate extensions.

In meeting the \$370,985 interest on the \$2,380,000 bond issue (actual cost will be \$570,348, due to a 937 premium), it was decided to apportion interest payments in a manner nearly balancing the grand total of school district bond and interest costs during the 11 years of the new bonds, 1965-66 through 1975-76. The 1964 bond issue interest costs will range downward from \$114,062 in the first year to \$60,820 in the last year. This differs from the yearly figures in

Granite City PRESS-RECORD Page 32 Thurs., Oct. 1, 1964

cluded in the Northern bid but the total is the same. **93-Cent Old, New Rate** Calculated on an assessed valuation of \$182 million, total bond and interest tax rate of the school district will vary between 33.3 cents and 36.3 cents during the 11-year period, compared to 24.7 cents in 1964-65, 9.9 cents in 1976-77 and 9.6 cents in 1977-78.

Whether the actual tax rate will be as predicted depends on fluctuations in assessment—and whether additional bonds are voted at some future time. Total indebtedness dating back to the start of the current fiscal year is \$8,009,530—\$5,048,541 previous debt and \$2,960,989 resulting from the referendum of May 22, 1964. Another breakdown of the total discloses \$6,400,000 principal and \$1,518,530 interest.

**Yearly Payments** As formally approved Monday night, the school system owes \$450,985 in 1964-65, \$612,483 in

next year, \$651,920 in 1966-67, \$652,125 the following year, \$652,192 in 1968-69, another \$651,920 (same as three years before) in 1969-70, \$653,607 in 1970-71, \$658,712 in 1971-72, \$659,077 in 1972-73, a peak of \$661,832 in 1973-74, \$661,632 in 1974-75, \$653,980 in 1975-76, \$181,030 in 1976-77 and \$173,010 in 1977-78.

Savings from the 4.3% interest maximum listed on the ballot will be \$224,335, based on Northern's bid averaging 3.08296% interest.

**Two Fined \$200, Costs, Taken to County Jail** Lester J. Brake, 27, and Larry Williamson, 22, both of 2601 East 23rd street, were fined \$200 and costs Monday afternoon by Magistrate William T. Edwards of Edwardsville in the Granite City court.

They pleaded guilty to criminal trespass of a motor vehicle after they were arrested at 2:25 a.m. Sunday on the lot of Young's Auto Sales Co., 1501 State street. Brake also was fined \$50 and costs on a speeding charge. Unable to pay the fines, they were transferred to the Madison county jail at Edwardsville.

## At-Large Ballot A Headache for County Clerks

Orange ballot headaches are plaguing County Clerk Eulalia Hotz, as well as other county clerks throughout Illinois, she reported this week.

"It was a difficult task to locate the orange colored ballot paper to begin with, and not many printers have presses large enough to handle a ballot 33 inches long by 14 inches wide. The legislature also set up the size of type to be used so that the ballot would not be too lengthy.

"Every effort was put forth by the printers to rush the printing of absentee ballots by the last day set by statute to have ballots ready to mail to persons in the United States service. I had over 400 applications on file by that date and had mailed ballots to 745 applicants when it was learned that one of the representative candidates, Leo O'Brien of Galesburg, had passed away.

"The attorney general had ruled that any vacancy, so created on the Representative ballot must be filled by appointment by the state central committee. Name substituted.

"Two days before the Sept. 19 deadline, Leo F. O'Brien had been appointed to fill the vacancy, and the secretary of state sent an amended certificate to all county clerks which necessitated the stamping out of Leo O'Brien's name and inserting the name of Leo O'Brien on any or all representative ballots county clerks had printed. The law provided that stickers could be used on the newly certified name typed in or stamped.

"I had only 100 ballots printed for each precinct for absentee use, totaling 17,400. It seemed most expedient to have rubber stamps made with a line to mark through the deceased candidate's name and simultaneously stamp Leo O'Brien's name aside it. This process was started and the mailing of absentee ballots to United States service persons were resumed. Any correspondence in this absentee category is sent air mail gratis by special federal permit.

"I was very fortunate that the bulk of the ballot order had not yet been printed. "Rep. Harris Heads Ticket" "It is safe to assume that I will be saying a special prayer each day until Nov. 3 that no more of the 236 candidates on the representative ballot have to be eliminated," Miss Hotz concluded.

The Democratic at-large ballot is headed by Rep. Lloyd Harris of Granite City and includes Rept. Leland J. Kennedy of Alton, 27th on the list of 118, and Daniel O'Neill of Alton. Republican representative candidates include, 20th, Rep. Ralph T. Smith of Alton.

Wealth will do wonders in most cases, but impoverished is the man who can buy every luxury except a clear conscience. Percentage Call

## 125 County Applications For Presidential Ballot

Applicants numbering 125 have appeared before the county clerk, Miss Eulalia Hotz, since Aug. 5th for the "new short form ballot for president and vice-president," she announced this week.

Persons otherwise unqualified to vote the full ballot due to having lived in Illinois less than one year—but who have lived in the county at least 60 days—are now permitted by a law passed by the 1963 legislature to vote for president and vice-president only.

Last day for such applicants to personally file at the county clerk's office is Saturday, and she is keeping her office open this Saturday from 9 a.m. to noon.

After each application is filed, the county clerk is required to send a notice to the election authority of the previous state or county where the applicant last resided, requesting a verification that, had the applicant remained in such state or county, he would have been qualified to vote therein.

First day such applicants may vote the short form ballot is Oct. 19, providing he has been notified by County Clerk Hotz that his previous election authority sent her the proper certification.

The law requires that such ballots be voted at the county clerk's office; they are treated similarly to absentee ballots, and will be delivered to the proper precincts on Nov. 3.

## Farm Ownership Loans Available Through FHA

Credit needs of Madison county farmers hindered by the problem of obtaining finances to develop and enlarge holdings necessary for a successful operation often may be met by a U.S. Department of Agriculture Farmers Home Administration farm ownership loan.

In reporting this fact, Harold F. Kiepe, FHA county supervisor, this week explained this is not just a local problem but a national one faced by thousands of farm families.

"Throughout the United States today are thousands of family farmers who require supervised credit for doing such important things as combining small land tracts, establishing permanent financing, needed soil and water improvements, constructing or renovating dwellings and essential farm buildings or taking other necessary steps to increase their farm's income-producing capacity and efficiency," Kiepe said.

In general, agricultural producers facing this problem are in a group of some 1,000,000 farm operators who now gross from \$25,000 to \$100,000 annually and require additional income to remain on the farm under the present day's economic conditions, he explained.

"FHA farm ownership credit for enlarging and developing farms are tailored to meet the needs of individual farmers," Kiepe emphasized.

"Borrowers are also helped in analyzing their financial problems and given assistance in determining kinds and amounts of resources needed for success."

These loans carry a 5% annual interest rate on the unpaid principal and are scheduled in equal principal and interest installments for repayment over a period not to exceed 4 years. It is the privilege of each farmer borrower to make additional payments during high income years in order to establish a reserve that may be used to keep the loan in good standing during low income periods.

The main office of the Farmers Home Administration is in the Belleville post office and serves Madison, Monroe and St. Clair counties. Supervisor Kiepe maintains office hours in the county office every Monday from 8 a.m. to noon. He maintains contact office hours for Madison county on the first and third Tuesdays of each month from 10 a.m. to noon at the Agricultural Stabilization and Conservation office in Edwardsville.

Madison County Farm Adviser

### MORE YIELD BY HALTING USE OF HORSE ROWS

Taking the 40-inch horse rows out of our cornfields may be another short step toward 200-bushel corn yields. University of Illinois agronomist Johnny Peniston told visitors at the recent annual Agronomy Day at Urbana.

Commercial fertilizers have replaced fish and horse-drawn machinery is gone, but we continue to plant our cornfields for the horse, said Peniston.

By using all of the latest production practices, many farmers have reached the point where additional changes will add only a few bushels to their yields. What can they try? Peniston suggested raising their plant population judiciously by choosing hybrids that will stand and yield well under crowded conditions, and becoming more interested in planting patterns. Changing a planting pattern to narrow corn rows will do little to increase yields at the 75- to 100-bushel yield level, but this does not hold for really high yield levels, he said.

Last year Peniston obtained the highest yield in his experiments—173 bushels per acre—by spacing corn 30 inches apart with 28 thousand plants per acre. This year's experiments include three row spacings—20, 30 and 40 inches—with five plant populations—16, 20, 24, 28 and 32 thousand plants per acre. Another experiment involves the spacing or grouping of plants within a 40-inch row when a high plant population is desired.

As plant populations increase, there will probably be a trend toward more drilling on equal spacing in the row, and also the use of narrower rows. Neither of these practices will give consistent or spectacular yield increases. But they will add a few bushels, especially in favorable corn-growing seasons, Peniston predicted.

### FLOATING FILTER AVAILABLE FOR FARM PONDS

Farmers planning to use water from ponds will be interested in adviser's office.

**LIQUID COMMODITY PIPELINE** shown being installed to connect the Chain of Rocks Canal (background), main river channel here, with the National Marine Service storage tanks located on the inland side of the canal levee. Piling visible at the edge of the water was installed by the Tri-City Regional Port District. The view is to the west.

### WATER MANAGEMENT TIPS

Here are some suggestions about water management on your farm; now is a good time to prepare for times when water will be more plentiful:

In preparing for winter, check water pumps, especially automatic systems, to see that their wiring and piping are sound and that the switches work properly. Shape up farmyard drainage channels, fill the cuts and grade them to the low spots. Do these jobs while the weather is good to avoid the need to make repairs in bad weather.

Check your septic tank to see whether it needs cleaning before winter. If it is half full at the outlet end where it connects to the disposal field, you should clean it this fall. To determine the depth of the sludge, dig down to the tank cover and remove it. You can then probe with a stick wrapped with a towel or flannel strip.

Now is the time to clean out that drain line that you found plugged up last spring. Trim grass waterways for the fall and winter to get them in shape for the snowmelt and early spring rains next year.

## State Capitol NEWS

### GROUND WATER LEVELS IN STATE ARE LOWER

Ground water levels throughout Illinois at the beginning of September were generally below levels reached at this time in 1963 and in most cases are considerably lower than levels reached in 1962, according to a report released by T. E. Larson, acting chief of the Illinois State Water Survey, Urbana.

In the north and northeast sections of the state water levels were about 1/2 foot below average at the end of August. In east central Illinois levels dropped below normal after being above average for a month, and in other areas the water table continued to drop.

The greatest decline was in the extreme southern tip of the state where changes in the water table of three to four feet were not uncommon.

### STATE RANKS FOURTH IN AIRCRAFT REGISTRATION

Illinois now ranks fourth among the states in pilot and aircraft registration, according to information released in the latest bulletin published by the Illinois Department of Aeronautics.

The state has 14,000 registered pilots and 3,600 aircraft. It has 125 commercial airports and 500 private air strips.

Only California, Texas, and New York, in that order, outrank Illinois in total number of pilots and planes; and Illinois continues to be known as the nation's air and surface transportation system, mainly due to the many excellent facilities available in greater Chicago.

### CALIFORNIA FIRMS MOVE TO ILLINOIS

Teamwork by a group of Illinois state officials and business executives was credited with attracting four California companies to Illinois within the last 17 months.

"This is quite an accomplishment," said Gene Graves, executive director of the Illinois Board of Economic Development. In a report to Gov. Otto Kerner, Graves said that a "Sell Illinois" visit to 30 California companies made in March 1963 by 15 industrial development professionals representing the Illinois Board of Economic Development, chambers of commerce, public utilities and railroad companies, has resulted in the location of four major plants in Illinois.

"These four plants alone," said Graves, "represent approximately \$8 million in plant and equipment investments and 835 new jobs for Illinois workers."

Graves made the report fol-

lowing an announcement by Capitol Records, Inc., to build a \$2 million manufacturing plant in Jacksonville, Ampeg Company at Elk Grove Village, Litton Industries at Des Plaines, and the Gaylord Container Division of Crown-Zellerbach at Carol Stream have all located here since March of last year.

**CEREAL-LEAF BEETLE IS POTENT THREAT**  
The cereal leaf beetle continues to be a potential threat to Illinois grain farmers, according to the Division of Plant Industry's superintendent William T. Larkin.

The cereal leaf beetle, first found in the U.S. in 1962, has spread to 83 counties in Indiana, Michigan and Ohio. Unless the spread of the beetle is stopped, it could prove costly to the entire small grain industry of the United States.

"If and when the cereal leaf beetle is found in Illinois," Larkin said, "the Illinois Department of Agriculture has plans to contain the pest and control its spread into unfested areas."

# Warriors at Collinsville in Pivotal Southwestern Conference Contest

## PRESS-RECORD SPORTS

Page 34 Thurs., Oct. 1, 1964 Granite City PRESS-RECORD

CO-CAPTAINS Ernie Kern (left) and Jerry Lybarger of the Warriors do double duty as offensive guards and defensive linebackers.

Chances for Granite City high school's first Southwestern Conference football title since 1948 will likely hinge on the outcome of tomorrow night's league opener at Collinsville. Kickoff will be at 8:30 p.m. on the Kahoks' field.

The winner of this one will make a drive for the championship against East St. Louis and Belleville, said coach Jim Morrison of the Fighting Warriors. Both history and the makeup of the current teams indicate the game should be a close one.

The old rivals have met 42 times over the years and the overall record is just about even. Collinsville holds a one-game edge, winning 21 to Granite City's 20. Last year's 13-13 tie was the first deadlock of the series, which began in 1922.

With wins of 12-0 over Riverview Gardens and 62-0 over Madison, Granite City entered the game with a 2-0 mark. Collinsville opened with a 7-7 tie with St. Louis Roosevelt and then downed Quincy 20-7 last week.

"Coach (Leon) Chappell scouted them against Quincy," said Morrison. "And he said they're well-polished and really tough."

Morrison saw the Collinsville-Roosevelt tie. "Collinsville looked tough that day too but they had their troubles," he said. "It was a hot day, their first game of the season and Merrill was hurt early in the game."

Merrill is Mike Merrill, the Kahoks' hard-running fullback who weighs in at close to 200 pounds. His first game injuries were slight and he returned to gain 74 yards and score two touchdowns against Quincy.

"He's as fine a football player as I've seen in the conference," said Morrison. But the Kahoks have other offensive threats like Mike Belorady, who picked up 81 yards in 14 tries last week, and smooth-passing quarterback Don Bigger.

In the line are toughies like Mike Ackerman, Mike Waukalis and Steve Gauen. But the Warriors probably won't have to contend with the Kahoks' big boy, 240-pound Doug Smith, who sprained an ankle in the opener.

Averil Fletcher, the Collinsville coach, is an old hand at beating Granite City. In his 18 previous seasons, he has directed the Kahoks to 11 victories over the Warriors while losing six times and tying one.

But the Kahoks are expected to have their hands full tomorrow night, especially if halfback Nick Petrillo and fullback Gary Johnson can continue their fine offensive running. Petrillo has gained 172 yards in 20 carries for an 8.6 average while Johnson has picked up 76 in 12 tries, a 6.3 average.

In the line where ball games are often decided, the Warriors will have weight advantages of 206 to 183 (average of seven men on offense) and 208 to 188 (average of six men on defense). As the lighter Riverview Gardens team showed the Warriors, weight alone is not enough.

Morrison said he will be the first to test for our passing defense. "Morrison said. So far, the Warriors' secondary—expected to be good—has allowed only two completions in 15 attempts."

Named for special awards for stellar performances in the victory over Madison last week were three Warriors. Petrillo, who scored four touchdowns, was named Fighting Warrior as the best offensive player and center John Evenden, who recovered two fumbles, received the Chuckles Ace Award as the defensive standout.

Coach Morrison also instituted a new award for downfield blocking, the Trailblazer, so named because the blocker marks the ball carrier's path with fallen opponents. The first award went to halfback Ethan Allen, who Morrison said made at least seven such blocks and made two on the same play.

The second helmet went to Leonard Revelle. Allen, John Pinegar and Evenden. Those who earned one star for special plays were Craig Garin, Joe Hauptman, John Russell, Rich Kozal, Jerry McKeon, Ernie Kern, Doug Winkler, Jerry Lybarger and Steve Johnson. In addition, one star was awarded to each player in uniform for his part in the record-setting 62-0 win.

Still looking for their first

points of the season, Madison's

Comanches tomorrow night as the

Midwestern Conference football

campaign opens. Game time is

7:30.

Both teams enter the game

with no wins, two losses after

facing rugged non-conference

tests in pre-conference competi-

tion.

But the Comanches are rated

the favorite to take the Mid-

western championship this

season while the Trojans, at best,

rank as a darkhorse entry. A 20-13

loss to Belleville Alhaff and

boxed last week to Riverview

Gardens, Mo., 14-0. "The boys

were really up for the Alhaff

game and, with a few breaks

early, I think we might have

best them," said coach Pete

Truran. "But we were out of the

Riverview game all the way."

Madison, starting with two

Southwestern Conference teams,

lost to Edwardsville 20-0 and

Granite City 62-0. "They're no

doubt this will be a tough one

for us," said coach Glen Pick-

ering.

In the 12 games the two teams

have played in the past, Cahokia

has clear edge, winning 10

times and losing one. Last

season, the Comanches won a

19-0 decision.

## Visiting Nurses Made 1247 Calls in Quad-Cities in Year

Nurses of the Visiting Nurses Association, one of the 17 Tri-Cities Area United Fund agencies, made 1247 sick calls and visits to 53 patients in the Quad-Cities area during 1963.

The agency depends on the Tri-Cities Area United Fund for about 10% of its annual income. Its local budget this year is \$3600.

Last year, the agency's allocation was \$3300. The services given in the Quad-Cities last year included 261 visits to 15 patients for rehabilitation, 372 visits to eight cancer patients, 151 visits to nine part-pay patients and 463 visits to 21 patients who were unable to pay.

**\$1582 to Aid Cancer Patients**  
The income outside of the United Fund allocation amounted to an additional \$1582 from the United Fund under its program for care of cancer patients and \$288 paid in fees from patients.

The local United Fund is not the only one supporting the agency, which has its headquarters in East St. Louis at 4601 State street. It also is aided by the United Funds of East St. Louis and Belleville and provides services to those communities.

To be eligible for services of a visiting nurse, a patient must be under the care of a qualified physician, and all visits by the nurse must be authorized by the physician.

**Services Offered**  
Services offered include bedside care or treatment on an hourly basis; occupational therapy; patient rehabilitation; patients who have suffered strokes, undergone amputations or are under treatment for cancer; speech therapy, securing diagnosis and treatment of persons not under the care of a physician (limited to one visit); long-term observation of tubercular patients, suspected tubercular persons and persons who have been in contact with tuberculars; demonstrations in the care of a patient, and maintenance of sickroom equipment on a short-term loan basis.

The cost of visiting nurses service is \$4.25 an hour. The patient or family need not bear the whole cost, and a sliding scale, which takes into consideration weekly income and size of family, is used to determine the cost of service to an individual.

**Agency Staff**  
The association employs a full-time staff of one director, seven registered nurses and a secretary.

The nurses assigned to the Quad-Cities is Miss Mable Harrison of Madison, and the rehabilitation nurse is Miss Betty Hynes.

A report of four-month services for 1964 was presented to the Quad-Cities Area United Fund Board by the VNA officers, Mrs. C. E. Murphy, president; Mrs. Michael Graham, first vice-president; Mrs. E. V. Menges, second vice-president; Mrs. Julian Buser, secretary, and Mrs. V. P. Siegel, treasurer.

From Jan. 1 to May 1, there were 422 visits including 91 free visits to nine patients, 78 part-pay visits to six patients, 105 visits to six cancer patients and 148 visits for rehabilitation for seven patients.

The overall operations of the agency shows 2010 rehabilitation visits to 131 patients, 477 occupational therapy and work simplification visits to 43 patients, and 7099 nursing visits to 2201 patients.

Mrs. Lucille Tucker, R.N., director, pointed out that 90% of the 2363 patients served in the Quad-Cities, East St. Louis and Belleville have a form of chronic debilitating disease and those receiving rehabilitation service have physical handicapping conditions. These illnesses, she said, require months and often years of service before the maximum recovery has been achieved.

Disbursements during 1963 in serving the entire three communities amounted to \$4544, of which \$41750 was for salaries and \$12794 was operating expenses.

The agency's total income in

**VISITING NURSE** bedside care being provided in the Quad-Cities area by Miss Mable Harrison of Madison who is with the Visiting Nurse Association, a United Fund agency. In the Quad-Cities last year, 1247 visits were made to 53 patients. The Visiting Nurse budget for 1965 operations in the Quad-Cities is \$3600.

1963 included \$26100 from the Tri-Cities Area United Fund for ment of Health as a rehabilitation grant, \$12,915 from miscellaneous sources and a \$2919 United Fund, \$1582 from the \$5820 from the Illinois Department of

## Fall Choir Seminar Scheduled at Church

A nationally-known music director, pianist, arranger and composer, Paul Ferrin, will be guest conductor and speaker at the fall choir seminar to be held at First Assembly of God Church, 24th street and Grand avenue, next Monday through Thursday, Oct. 12-15. The session will be from 7:30 to 9:30 p.m.

On the final night there will be a musicale to be presented by all participants in the seminar. Music directors and members of choral groups in the Quad-Cities are invited to participate.

Ferrin was a campaign pianist for one of the London crusades of Billy Graham and has traveled extensively for Youth for Christ in this country. He currently is minister of music at the First Assembly of God Church in Memphis, Tenn., sanctuary choir and 20-voice where he directs the 90-voice television choir.

## Jayceettes Plan Candle, Card Sale

The Jayceettes made preparations for a sale of decorative candles and Christmas cards during Monday night's meeting at the home of Mrs. Joyce Hogan, 3221 Wilshire drive. The president, Mrs. Betty Young, was in charge.

Funds derived from the candle and card sales will be used to carry out club projects. An announcement was made of a hay-ride for Jaycees and Jayceettes on Nov. 7.

The speaker was Miss Betty Bagley of the Madison County played as a bookkeeper at the First National Bank in Madison. The bridegroom-elect also is a Madison high school graduate. He is employed at the blast furnace department of Granite City Steel Co.

The one thing our nation most badly needs today is faith.

## Hospital Auxiliary Honors Three Volunteers

Three volunteer workers with over 2500 hours service to St. Elizabeth Hospital were given special recognition Monday night during a meeting of the Hospital Auxiliary.

Receiving certificates of appreciation were Mrs. Freda Leaton, 614 Washington avenue, Venice, who has contributed 1500 hours in voluntary services; Mrs. Marjorie Strauss, 2236 East 25th street, who has given 1000 hours and Miss Carolyn Hines, 2420 Glenn place, a candy stripper, also with 1000 hours service.

Mrs. Leaton gave most of her 1500 hours in her capacity as director of the volunteer services at the hospital. She interviewed candy strippers and pink ladies and outlined their duties. She also arranged the awards presentation each year and for the candlelight carding by the volunteers at Christmas. Mrs. Leaton advised the hospital staff that she will be continuing her service to the hospital, but will not be able in the future to spend as many hours there.

Sister Mary Jerome of the obstetrical department, will be taking over the direction of the volunteer services with Mrs. Leaton as a consultant.

Mrs. Strauss with 1000 hours has been doing volunteer work long before the volunteer service program was inaugurated. She has been staffing the information desk in the hospital lobby, but more recently became a nurse.

Mrs. Strauss, it was noted, has many hours of donated service in addition to the 1000 hours recorded under the volunteer service program.

Miss Hines with 1000 hours as a candy stripper at the local hospital, now is in nurse's training at Barnes Hospital, St. Louis, under a scholarship given by the St. Elizabeth Hospital Auxiliary.

Although she spends considerable time studying to become a nurse, Miss Hines continues to work as a candy stripper here on her days off.

Mrs. Helen Bergfeld, auxiliary president, was in charge of Monday evening's meeting in the hospital library, attended by about 40 members.

It was announced that through funds raised in the auxiliary's coffee shop, the auxiliary was able to pay \$8000 in six months as its pledge toward new and additional x-ray department equipment costing \$30,000.

"We were able to provide the machine intensifier and to pay her and Mrs. Elvira Thuermer, who was the showing of color slides member. A group of members is planning to attend a Ninth Day field and adding that the coffee shop business has been increased."

The auxiliary voted to send on Oct. 13, the two delegates to the Illinois Hospital Auxiliary Association convention in Peoria Oct. 29-30. Selected as delegates were Mrs. Bergfeld, Mrs. Strauss, Mrs. Hines, Mrs. Zinner, who is president of a permanent memorial fund, and the alternate fund.

The members also heard a report of Knock Catholic Church. A reception was held in Lansing, Ill. The guests are the grandsons of Frank Bezan sr. of Madison.

## Miss Mary West Is Engaged

A summer wedding is being planned by Miss Mary Ruth West, daughter of Mr. and Mrs. Floyd West, 2138 Washington avenue, and Delwin Duane Goode, son of Mr. and Mrs. Norman Goode, 2622 Edwards street. The engagement of the couple is being announced this week by the bride-to-be's parents.

Miss West, a graduate of Granite City high school, is employed at a bank in St. Louis, while the bridegroom-elect, also a graduate of the local high school, is a senior civil engineering student at the University of Illinois.

## IFWC Meets In Collinsville

A number of local women attended the 22nd District board meeting of the Illinois Federation of Women's Clubs Tuesday in Collinsville.

Among those representing the local federated clubs were Mrs. Russell D. Johnson, Bay View Reading club; Mrs. James Stutz, Leash Literary club; Mrs. Josephine Rapp, Minerva Women's club; Mrs. L. C. Harlan, Madison Literary club; Mrs. Robert Chapman, Weinel Music Scholarship; Mrs. Arthur Benter, Mrs. Fred Baum, Ladies Coterie and Mrs. Wilfred Cooley, president, Madison County Federated Women's clubs.

Mrs. Leland H. Buckley of Edwardsville, 22nd district president, introduced past district executives, Mrs. Edith E. Orr of East Alton and Mrs. Ben T. Chapman of Edwardsville.

Of special interest to the local federated clubs was an announcement that a ten-year lease has been signed for the Lincoln Lodge Boys' Town at Lincoln, Ill. A project of the 22nd district is the renovation and dedication of the home.

Plans were also discussed for Federation Day, slated for Nov. 12 at the SWIU Alton campus at which time Madison county federated women's groups will serve as host to an expected attendance of several hundred women. Mrs. Buckley announced the fall district meeting is to be held in Waterloo, Ill., on Oct. 29.

## Vacation Topic For PEO Meeting

"Vacation Reflections" was the topic of Monday evening's meeting of IIT Chapter, PEO, at the home of Mrs. E. George Marshman, 2412 East 25th street.

Each of the 17 members present was called upon to speak. Mrs. F. H. Baker, chapter president, was in charge of the meeting and a memorial service was conducted for Mrs. Vivian Pratt, IIA meeting in Belleville, Mo.

## 50 Scholarships for SIU To Go to Jr. College Grads

Fifty-two-year tuition scholarships to Southern Illinois University specifically for the use of Illinois junior college graduates were created Tuesday during a meeting of the SIU board of trustees at the Quad-Cities-Edwardsville campus. President Delyte W. Morris told the group that the university wished to recognize the value of the junior college program and to assist worthy graduates to gain four-year degrees. Such assistance, he said, would stimulate growth of the junior college system in Illinois. In other business, the university trustees heard from SIU Architect Charles Pulley that rising construction costs made necessary a revised estimate for phase II of the University Park residence halls complex at the Carbondale campus. Experience gained in phase I of the new construction program, plus new cost figures, indicate two additional high-rise residence halls and a food service-commons building to serve 1600 additional students will cost about \$10,800,000. The cost originally had been estimated at \$9,700,000. In a resolution, the board will seek an extension loan from the U.S. Federal Housing and Home Finance Agency to a maximum of \$3,100,000. The remainder of the revenue bonds would be sold on the open market.

## Chicago Port Praises New Tri-City Port

A congratulatory telegram from the Greater Chicago Port Development Association was received Tuesday by Carl A. Ranft, chairman of the Tri-City Regional Port Authority for the dedication of the Tri-City Port's first facilities on Monday.

The telegram from William Brice Miller, secretary of the Chicago Port, stated: "Congratulations to you and your citizens on the landmark accomplishment you are celebrating. The value of your port development to the immediate area, to our state and to the entire midwest area is fully recognized by all of us here. We hope to continue what has already been a highly valuable association with you in the mutual development of strong waterway and harbor network in which your accomplishments complement ours and ours complements yours."

GOV. KERNER stressing the importance of the new Tri-City Port at Monday afternoon's dedication ceremony at the Chain of Rocks canal. He said the Port will have an important role in the industrial growth of the Quad-Cities, the state and the midwest. Shown with him on the platform are, left to right — Randall Robertson, port attorney; Harold R. Fischer, a port commissioner; the governor; Carl A. Ranft, port board chairman; Chester L. Baker, president of the Tri-Cities Chamber of Commerce; Rev. Dr. David Maxton of the First Presbyterian Church, and Rev. J. P. Jordan of St. Joseph's Catholic Church.

"HARRIS AVENUE" was dedicated at the Port district dedication ceremony Monday as a surprise for State Rep. Lloyd "Curly" Harris, who headed the district's legislative work during its organization five years ago. ## Name Port's First Street To Honor 'Curly' Harris

While most of the details of Monday's Port Authority dedication ceremony were well publicized in advance, and the presentation followed the program to the letter, one element of surprise was reserved as a special honor to State Rep. Lloyd "Curly" Harris, who headed the legislative program for the port district during its early days of organization.

Unaware of what was to come, Representative Harris looked on as Carl Ranft, port board president, called upon Mrs. Harris to unveil a standard that had remained well covered on the speaker's platform during the early part of the program. As the veil fell away it revealed a regulation street marker for "Harris Avenue."

Ranft announced that the marker was for the first street to be established in the port area—the extension of Rock road that enters the port.

"Representative Harris and many other of our legislators have been very helpful with the necessary legislation involved in forming the port district," Ranft said, "but 'Curly' has been the spearhead for us in Springfield. We of the Port board and this community are proud to dedicate the first street in the Port as 'Harris Avenue.'"

Harris, who later was sworn in as Gov. Otto Kerner as the principal dedicatory speaker, felt that he is highly appreciative of having been placed in the position of being part of the Port project, which he described as a "development we wouldn't have dreamed of not too many years ago."

IN HONOR of the late Fred E. Brown of St. Louis, who lent his aid and encouragement in the formative days of the Tri-City Regional Port Authority, a framed scroll of commendation was presented during Monday's Port dedication to his widow, Mrs. Marie A. Brown. She is receiving the scroll from Carl A. Ranft, port authority chairman. The late Mr. Brown was president of International Distributors Corp., and of Brown Boggins Co.

## Guests From Throughout State at Port Ceremony

Port officials, industrial representatives and officers of the Army Engineering Corps were among visitors from throughout Illinois and the St. Louis area who attended dedication ceremonies of the Tri-City Regional Port District on Monday, and were introduced to the audience by port district board president, Carl A. Ranft.

Among the guests were David A. Wright, president of the National Marine Service of New York, and Earl L. Keister, St. Louis, president of the Illinois Terminal Railroad, National Marine Service and the Illinois Terminal Railroad are the port district's two present tenants for whom the \$720,000 development is now under construction at the port. Illinois Terminal will handle all rail facilities at the port and National Marine Service will use the port as a center for shipment of liquid products.

Members of the Tri-City port board, local county and state officials also were among the guests, as well as representatives of firms and organizations that are working with the port authority in development of the project to its present status. These included: Jared Fickell, manager of the municipal bond division of the Continental Illinois National Bank & Trust Co. of Chicago which handled the Tri-City port board's first \$720,000 bond sale a few months ago; Frank Rutledge Jr. and William H. Grove, Chicago, both vice presidents of the Continental bank, also attended.

Also on hand for the event was Gene Graves, executive director of Gov. Otto Kerner's Illinois Board of Economic Development, and Col. Charles Schweitzer, commanding officer of the Granite City Army Depot. Col. James H. Neuman Jr., district engineer of the St. Louis district, U.S. Corps of Engineers, and Rear Admiral Albert J. Carpenter, St. Louis, commander of the Second Coast Guard District, also were present.

## "WALTZ THRU WASHDAY"

TIME WITH THE

No more carrying to the line... no more hanging up and taking down, and shivering in the cold wind when you bring them in—your GE Dryer does it for you automatically, for just a few pennies a day.

Just put your clothes in this dryer, select the proper drying time, push the start button and your clothes dry automatically in any kind of weather. Needs no special wiring. Operates on either 115-volts or 230 volts. Much of your laundry can be worn or put away without ironing.

## \$10,000 Fire Damage To Propes St. Home

A fire of undetermined origin that broke out near the electric stove gutted the kitchen, and caused extensive heat and smoke damage throughout the five-room frame home of Mr. and Mrs. Weldon Sherlock, 2018 Propes street, about 11 a.m. Tuesday.

Firemen set the damage at \$10,000, including \$4,000 to the house and \$6,000 to the contents. All furnishings and clothing were discarded by the fire.

No one was home, and the rear door was kicked open by firemen to get to the blaze.

**BICYCLE EXERCISER** is presented to the Easter Seal Society of Madison county by Mrs. Doris Hendricks (left) of Granite City in memory of her late mother, Mrs. Hilda Daubert of Venice. Accepting for the society is Mrs. Annetta Ohlandorf, member of the Venice Junior Service Club which has pledged support to the Easter Seal campaign. The exerciser will go into the society's special equipment loan pool, to be used by persons as prescribed by their physicians.

### Local Men Participate In Same Naval Exercise

Two Granite City men, serving aboard separate ships, are currently participating in a naval training operation called "Exercise Union Square," being conducted off the California coast. They are William G. Mertz, fire control technician seaman, a son of Mr. and Mrs. George Mertz, 3312 Terrace lane, whose ship is the destroyer USS Wiltsie and Scannan, Apprentice John W. Spanberger, son of Mr. and Mrs. Lawrence Spanberger, 2418 Madison avenue, who is aboard the destroyer USS Gurke.

Eighteen surface ships, two submarines and several air units are involved in the operation which is designed to increase the combat readiness of Pacific Fleet units in strike, antisubmarine and anti-submarine warfare.

### Speeding Charge Filed

Dee A. Miller, 4164 Nameoki road, was arrested at 10 a.m. Tuesday at 2800 Nameoki road on a speeding charge. A hearing was set for Oct. 12.

## Mother and Son Hurt As Auto Rolls Over

Mrs. Elizabeth Ebrecht, 34, of 2403 Madison, and her three-year-old son, Thomas, were given emergency treatment Monday afternoon at St. Elizabeth Hospital after an accident on Route 35 in which their auto rolled over several times on the roadway shoulder. No other vehicles were involved.

Mrs. Ebrecht said she was traveling west when the right front wheel dropped off the pavement and the car went out of control, rolling down an embankment and landing on its top. The crash occurred midway between Routes 162 and 111.

She was given treatment for abrasions to her legs and head and x-rays were taken of her right shoulder and hip. The boy had fragments of glass removed from his right ear.

### Hit-and-Run Accident

Glynn A. Gean, 24, of 2705 Myrtle avenue, reported that a hit-and-run driver damaged the left front and side of his auto while it was parked at 11:35 p.m. Monday at 1825 Delmar avenue.

### Car Parked, Tire Slashed

Harry Bloodworth, 3049 Washington avenue, reported Monday that vandals slashed the right front tire of his auto while it was parked during the night in his driveway.

### Eggs Thrown at Car

Rose Heavos, 2340 Lincoln avenue, reported at 8:10 a.m. Tuesday that vandals threw eggs at her 1960 auto while it was parked during the night in front of her home.

## MAYTAG HALO OF HEAT DRYER

No other dryer on the market at any price can offer all these 9 features:

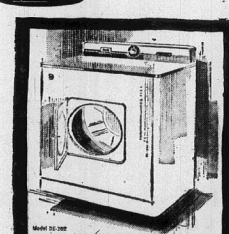

1. Lets you dry even delicate lingerie. Because clothes dry at lower temperatures surrounded by a gentle circle of warm air—no hot spots.
2. Wash 'n' Wear button dries all your wash 'n' wear perfectly—eliminates wrinkling problems. Also has push button for "Air Fluff" and "Regular" drying cycles.
3. Cool cabinet—air is not heated until it is ready to enter the drum. This keeps cabinet cool, and results
4. In more fuel economy. The heat you pay for is the heat you get.
5. Unsurpassed "High Speed Drying"—all air in the drum is changed every two seconds; Dries a load of 32 diapers in 32 minutes.
6. Big-family Load Capacity.
7. Efficient lint filter—positioned directly in front of the exhaust fan. All exhaust air passes through the filter.
8. Zinc-coated steel cabinet—defies rust, assures long life and lasting beauty.
9. Safety door—cuts off all power and turns off the source of heat whenever the door is opened during the cycle. New Safety Switch restarts dryer in cycle.
10. Quiet operation—the result of Maytag quality construction.

For the best dryer at any price, see a Maytag Halo of Heat Dryer.

**Cloverview Parents Hire Bus For Grade School Children**  
A special bus to take children from the Cloverview subdivision to Maryville school on Maryville road is being chartered by 24 families, and the service was started today by the Bi-State Transportation Commission.  
The families are paying \$30-a-month each and 40 youngsters are riding the bus, which has a capacity for 70. The fee covers any number of youngsters for a family.  
The bus tours the entire subdivision starting at 8:15 a.m. stopping at corners and the middle of each block and returns to the children in the afternoon. So far no arrangement has been made for a noon run for kindergarten children. The route also includes the new Pontoon Plaza apartment.  
Arrangements were made by Mrs. John Doroghazi, Mrs. Robert G. Butler and Mrs. Nick Kieff, and any other families in the subdivision wanting the service may contact them.  
The service pointed out it is hazardous for their children to walk to the school because there is no sidewalks along Maryville road.

**Released on \$1000 Bond**  
John Patterson, East St. Louis, was released on \$1000 property bond at 3:40 p.m. Tuesday after appearing in Granite City Municipal Court on a charge filed at 9 p.m. Monday by a state trooper. The charge was driving while his license was suspended.

**Deputies Enroll at SIUW**  
John Patterson, Granite City, Madison county deputy sheriff, and Capt. Louis Bowman of Alton, the department's chief of police, have enrolled as freshmen in the Southwest Illinois University, planning to make a pre-law. They are attending night classes at Edwardsville.

**Vandals Damage House**  
Marilyn Northrup, 2200 Woodlawn avenue, reported at 8:20 p.m. Tuesday that vandals threw rocks at her home and broke a storm and window glass in the front bedroom and chipped up the window pane and glass in the family room. She said it was the fourth such incidence of vandalism recently at her home.

**Law enforcement agencies**, "His record will be turned over to the police department and to any individual or group of individuals who physically harm or threaten to harm any of your citizens or nationally elected or appointed officials."

Harold Thomas, director of special education in Granite City, said that the association on two new teachers in special education and the group heard a report by Wayne Beidle, on Cub Scout activities and how to organize a new Boy Scout troop.

The members also made arrangements for sending Mrs. Margaret M. Smith to the association, and Miss Pat Tondre, secretary, to the national convention following an address in St. Louis tavern. Police arrested Earl Marion, 39, of St. Louis, and booked him on suspicion of shooting the victim.

Marion admitted the shooting.

## Two Boys Injured Playing Football

Two youngsters injured while playing football Monday and were given emergency treatment at St. Elizabeth Hospital during the evening.

James Park, 14, of 46 Grenzer Homes, Madison, was treated for a chest injury, and Larry Knox, 13, of 2968 Indiana avenue, was treated for an injury to his left hand. Both were taken to the hospital when he pulled out a .32 caliber revolver and shot Garrett as Garrett walked into the tavern carrying a revolver. Both weapons were found at the scene, police said.

John Bowman, released from prison in 1934, was the son of Helen Ottinger, daughter of Mr. and Mrs. Bud Ottinger, 2213 Orville avenue, was x-rayed after catching her left hand and wrist in a wringer; and two-year-old Lisa Bowman, foster daughter of Mrs. Louisa Bowman, 341 Merceda avenue, was given a lavage after drinking a quantity of a medicine.

Karen Roberts, 33, daughter of Mr. and Mrs. Ivor Roberts, 304 Kirkpatrick Homes, received treatment after eating the tip off a glass thermometer.

## Social Security Instructions

## Farmers Required to Keep Hired Hands Payroll Data

Ralph Brasher, manager of the East St. Louis Social Security office, announced that it is essential for all farmers to maintain complete payroll records on hired hands. He said that tax laws require most employers to keep accurate records of wages paid to employees. By keeping an accurate set of records, much future difficulty can be avoided, or, at least, simplified. Handling inquiries from government agencies, he said, "If a laborer quits work without notice, it will still be necessary to report his wages accurately to the Internal Revenue Service."

Social Security or FICA tax should be withheld from all farm employees who receive less than \$150 or more during the calendar year. Even though an employee is paid less than this amount, it is still necessary to withhold the tax if he is paid on time basis (by the hour, day,

Good records, Brasher pointed out, begin by acquiring the full name, social security number and current address of each employee or crew leader. Since many farm laborers move or quit after short periods of employment, it would be wise to secure this information before a week, month, etc.) and works for the employer at least 20 days during the calendar year. The taxes withheld should amount to 3 1/2 per cent of the first \$450 of the employee's salary. The employer then adds to this a like amount from his own pocket for a total of 7 1/2 per cent tax.

## New Car Purchasers Must Give Proof of Seat Belts

With 1965 model cars now being displayed in dealers' showrooms throughout the state, the Chamberlain this week called the prospective buyers' attention to the fact that they must present evidence of a valid title and license with safety seat belts when transferring their 1964 registration to, or making an original 1964 registration of, a 1965 model car.

All cars purchased prior to Dec. 1 must be registered for the balance of 1964, either by a 1964 registration of the car traded in for the new model or by an original registration of the new model when no other car was traded.

The 1964 transfer and registration blanks contain no specific place for the seat belt in-

### GC Motorist Arrested On Two Traffic Charges

Marshall K. Hoots, 26, of 2819 Emme avenue, was arrested by Venice police at 2:50 a.m. Tuesday following an incident in which Hoots' car crashed into the John-Marville Corp. fence at Russell and Klein streets.

Hoots was charged with careless driving and destruction of property. He posted bonds for a hearing Oct. 19. Police said Hoots was headed west on Biswell when he made a left turn into Klein street and ran into the fence.

## Questions, Answers on House At-Large Voting

Following are questions and answers on the at-large election to be held Nov. 3 to choose members of the Illinois House of Representatives:

Q. How many candidates will be on the at-large ballot?

A. Each of the two major political parties will have 118 candidates. A total of 236 candidates, therefore — 118 Democrats and 118 Republicans — will be on the ballot.

Q. How many House members will be elected?

A. All 177 members of the Illinois House will be elected. Each of the 236 candidates will

be running — not from different House districts but at-large, statewide.

Each casts 177 votes.

Q. How many votes will a person have?

A. Each voter will have 177 votes.

Q. Must a voter use all 177 votes to make his ballot valid?

A. No. A voter may vote for only one candidate if he so chooses, or he may vote for any number of candidates up to 177 — but no more than 177.

Q. What happens if a voter votes for more than 177 candi-

dates — say, 178 or more?

A. His ballot will be deemed invalid and will not be counted.

Straight Ballots

Q. Can a voter cast a straight party vote?

A. Yes. In this case, he will place an "X" in the circle next to the party name and thereby use 118 votes. His remaining votes would not be used.

Q. Can a voter cast a straight party vote and still make use of his 59 remaining votes?

A. Yes. A voter, after casting a straight party ballot and using up 118 of his 177 votes, may cross over to

the opposite party's ticket and distribute his remaining 59 votes as he sees fit. He must constantly be on guard, however, that he does not cast more than a total of 177 votes, which would invalidate his ballot.

Q. What other alternative does the voter have in casting his 177 votes?

A. He may distribute them as he chooses among the candidates of both parties, using one vote for each candidate voted for, up to 177 candidates. Here again, he must make certain that

he does not err in voting for more than 177.

Q. In the past, a voter has been permitted to cast all his state representative votes for one candidate. This was known as cumulative voting. Will this be permitted in the at-large election?

A. No. He cannot give more than one vote to a candidate — one vote, one candidate up to 177 candidates.

Q. What about the ballot itself; how will it differ from House ballots in the past?

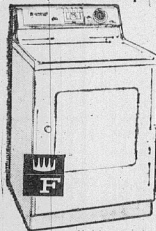

A. There will be a special ballot for the House election. It will be orange in color and will be placed in a special ballot box also orange in color. After the polls close at 6 p.m., the special boxes will be taken to central-counting places in each county and counted separately. High Cost
